

Summary of your employer plan insurance arrangements

Preparation date: 7 June 2025

Employer plan name: PayPal Australia Pty Limited

This *Summary of your employer plan insurance arrangements* (summary) forms part of the smartMonday PRIME Product Disclosure Statement (PDS) dated 7 June 2025 available from [smartmonday.com.au](https://www.smartmonday.com.au) or by phoning 1300 614 644.

This summary contains information about the insurance design in your smartMonday employer-sponsored superannuation account while you remain an employee of PayPal Australia Pty Limited and a member of the employer plan. It describes any 'non-standard' arrangements that are not described in the standard smartMonday PRIME PDS, *Insurance guide*, and *Welcome Pack* you received when you joined the fund.

Insurance cover is automatically provided when you become eligible. You may be ineligible for automatic cover if, for example, you have not met minimum age or account balance requirements (if applicable, see your *Welcome Pack*), or if you work in an ineligible occupation at the commencement of your cover.

If you leave your employer, the insurance arrangements in your smartMonday account will change, and the cost of cover may increase, along with the asset administration fee deducted directly from your account. We will contact you when we have been notified by your employer that you have ceased employment, and we will provide you with information about your changed insurance arrangements.

You can cancel your cover at any time by contacting us.

Death and total and permanent disablement (TPD) cover

If you are a permanent employee, your level of automatic insurance cover is calculated as the greater of:

- 20% x salary x future service (years and complete months) to age 65; and
- Minimum levels of cover as shown in the *Insurance guide* of the PDS,

and subject to the applicable Automatic Acceptance Limit (described in the *Insurance guide*).

If you are a casual employee, your level of automatic insurance cover is calculated as per Minimum levels of cover as shown in the *Insurance guide* of the PDS.

Income protection cover

Your employer has nominated not to provide automatic cover within your employer plan.

If your employer elects to hold income protection cover outside of the fund for their employees via an external insurance policy, you will be notified by your employer.

If you wish to purchase income protection cover through the Plan please contact us for more information about your insurance options, eligibility and how to apply.

Automatic Acceptance Limits

Subject to eligibility, you can be automatically accepted for cover up the following limits:

- Death cover \$1,000,000
- TPD cover \$1,000,000
