1. About smartMonday PRIME - MinterEllison Partners' Superannuation Fund

The Fund's mission is to guide members as they take control of their financial future. We're action-focused and encourage our members to make smart choices now, so they can have a brighter tomorrow.

The MinterEllison Partners' Superannuation Fund (the Plan) is a division of smartMonday PRIME and is available to MinterEllison Partners and their spouses.

The Fund has a range of investment options including a MySuper product (smartMonday LifeStage; MySuper), a simple, low-cost option for members (based on their age) who don't want to make an investment choice. The product dashboard at **smartmonday.com.au** has information you can use to compare this MySuper product with other MySuper products. See *Section 5* of this PDS for a summary of other available investment options.

The Fund offers flexible insurance cover (subject to eligibility) to help look after you and your family.

It is important that you feel empowered to make a great decision about your super. We aim to make this PDS as transparent and easy to read as possible, while including all of the legally required information. Please call us on 1300 614 644 or email us at **enquiry@smartmonday.com.au** if you would like more information to help with your decision.

More information about the Trustee, the Fund and this product including the Trustee's key management personnel remuneration, the Fund's trust deed, Fund report and portfolio holdings information, the product's other regulated disclosure documents and other required disclosures is available at **stewarda.com.au/documents** and/or from **smartmonday.com.au**

2. How super works

Superannuation (super) is a long-term, tax effective way to save for your retirement that is, in part, compulsory. For many Australians, super will be their main source of retirement income. The Government provides tax concessions and other benefits which generally makes super one of the best long term investment products.

It's your choice

Most people can choose the super fund to which their employer contributes, called having a 'Choice of Fund'. Check with your employer if you are eligible. If you haven't exercised Choice of Fund in the past, you may have multiple super accounts across different super funds from different employers.

To stop the creation of multiple super accounts the Government introduced a system whereby your existing super fund is 'stapled' to you when you change jobs, unless you take action to make a change. Your new employer obtains information about your stapled super fund from the ATO. If you have never had a super account before you will need to choose a fund, or your employer will create an account for you with their default super fund.

It's important you take an interest in your super and help it grow into a healthy retirement nest egg. More general information on choice and stapling is available from the **ATO's website**.

Contributing to super

Contribution types available to you include:

- Personal contributions (including Downsizer contributions, First Home Super Saver contributions and contributions for which a tax deduction can be claimed; conditions apply)
- Spouse contributions
- Government contributions.

Partners of MinterEllison can make personal voluntary contributions to their smartMonday PRIME account, and may be able to claim a tax deduction.

Annual limits apply to the amount of contributions that can be paid into a super fund for you – both from your employer and personally – without incurring extra tax. Further information is provided in the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at **smartmonday.com.au**

Account consolidation

You can rollover or transfer super from another super fund into your account with the Fund.

By combining the accounts, you may save on fees and more easily keep track of your investments. We recommend you seek financial advice and consider any fees or loss of insurance or other benefits before combining your accounts.

Withdrawing from super

Super is intended to provide for your retirement, and you generally cannot access your super until you meet a condition of release. Once you meet a condition of release, you may be able to access your super as a pension income stream or a lump sum (usually tax-free from age 60).

You should read the important information about *How Super Works* before making a decision. Go to the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at smartmonday.com.au The material relating to *How Super Works* may change between the time when you read this Statement and the day when you acquire the product.

You should also visit the How Super Works section of ASIC's website **moneysmart.gov.au**

3. Benefits of investing with smartMonday PRIME - MinterEllison Partners' Superannuation Fund

Along with a range of contribution, investment and insurance options to help you save for retirement and look after yourself and your family, the benefits and features of smartMonday PRIME - MinterEllison Partners' Superannuation Fund include:

Access to advice

As a member, you have access to smartCoaches who can provide intra-fund advice about your investment option mix, contributions, retirement adequacy, and insurance within the Fund. Any intra-fund advice is provided by or on behalf of Future Group Financial Services Pty Ltd (ABN 90 167 800 580, AFSL 482684) and not the Trustee. The cost of intra-fund advice is included in the administration fees and costs shown later in this document, and is not an additional cost to you. To find out more information about the intra-fund advice services available to you, refer to the **Financial Services Guide (FSG)** issued by Future Group Financial Services Pty Ltd or call 1300 614 644.

Investment and insurance options

- Investments – *How we invest your money* section
- Insurance – *Insurance in your super* section

There for you if you change jobs

You can retain your account when you cease to be a Partner with MinterEllison. Your insurance in the Plan will cease within 60 days. You have the option of continuing the Death cover, see the *Insurance Guide*. The cost of your insurance cover may change and any reduction in the asset administration fee (if applicable) will cease. You can request your new employer to contribute to your account.

Online access

Reviewing your superannuation regularly is one of the best ways to track its progress and take ownership of it. When you join as a member, you will be given access to a secure member online account, so you can manage and check in on your super anytime, anywhere, on any device, and access support and education to help you understand, grow and protect your super with tools (including helpful calculators) and content made available by the Sponsor at **smartmonday.com.au**

You should read the important information about the *Benefits of investing* before making a decision. Go to the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at smartmonday.com.au The material relating to the *Benefits of investing* may change between the time when you read this Statement and the day when you acquire the product.

4. Risks of super

Super, like all investments, carries risks. This product invests in different types of assets, including Australian shares, international shares, property, alternative assets and fixed interest. Different investment options have different levels of risk, depending on the asset classes making up the options. Assets with the highest long-term returns may also carry the highest level of short-term risk.

IMPORTANT: The appropriate level of risk for you will depend on a range of factors including your age, your investment timeframe, your risk tolerance and what other investments you hold and how they are invested. You should assess the likely investment return, risk and your personal situation (including your investment timeframe) carefully before making an investment decision.

When considering your investment in super, it is important to understand that:

- The value of your investment will fluctuate;

- The level of investment returns will vary, and future returns may differ from past returns;
- Returns are not guaranteed; you may lose some or all of your money;
- The amount of your super benefit at retirement (including contributions and returns) may not be enough to provide adequately for your retirement; and
- Super laws may change in the future.

The significant risks associated with this product include investment risks arising from:

- Changes in the market, including the economic and political climate;
- Changes in government policies and super laws;
- Changes in interest, foreign currency or inflation rates;
- Inadequate diversification;
- Investment decisions made by any external underlying fund managers; and
- The possibility that an available investment option may fail the Australian Prudential Regulation Authority (APRA) 'Your Future, Your Super' performance test.

You should read the important information about *Risks of super* before making a decision. For more detailed information about investment and other risks that may be relevant to your investment in super, refer to the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at smartmonday.com.au The material relating to the *Risks of super* may change between the time when you read this Statement and the day when you acquire the product.

5. How we invest your money

smartMonday LifeStage is our default MySuper investment option. If you don't make an investment choice, your super will be invested in accordance with this default investment option until you make an investment choice. smartMonday LifeStage, or any of the options available, may not be suitable for you so we strongly recommend seeking advice from a financial adviser. You can switch between available investment options via the member online account. If you need help or advice, call 1300 614 644. This PDS provides a summary of the smartMonday LifeStage investment option. For details on other investment options, please see the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at **smartmonday.com.au**

smartMonday LifeStage is intended for members who don't want to actively monitor their investment but expect to remain invested until retirement. The option automatically invests your super according to one of four age-based LifeStages, with each life stage having a different mix of growth and defensive assets designed to balance risk and return over time. As you move through the life stages, your investment mix will generally become more conservative as you approach retirement. We review your age twice yearly (in February and August) and will automatically move your account to the appropriate LifeStage applicable to your age at that time. For example, if you are 51 when the review occurs, your portfolio will be automatically adjusted to the Age 51-60 LifeStage. The asset allocation, expected return and level of risk will vary depending on the life stage applicable to your age group, as shown below.

6. Fees and costs

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from $100,000 to $80,000).
You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs. You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the Fund or your financial adviser.

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website **moneysmart.gov.au** has a superannuation calculator to help you check out different fee options.

This section sets out the fees and costs that you may be charged for an investment in the smartMonday LifeStage (MySuper) option shown in *Section 5* of the PDS. These fees and other costs may be deducted from your account balance, investment returns, or Fund's assets.

Information in the *Fees and costs summary* below can be used to compare fees and costs between different super products.

Fees and costs summary - smartMonday LifeStage (MySuper)

Type of fee or cost	Amount	How and when paid
Ongoing annual fees and costs[a]		
Administration fees and costs	$67.60 p.a.	This dollar-based fee is deducted from your account balance at the end of each month in arrears, or when you close your account.
	Plus 0.11% p.a.[b] Capped at $1,000 p.a. per account.	This percentage-based fee is deducted monthly from your account based on your account balance at month end in arrears, or when you close your account.
	Plus 0.00% p.a.(estimated)[c]	This fee is paid from the Fund's reserves as and when required to cover additional costs incurred by the Fund. **This fee is not deducted directly from your account or reflected in the calculation of unit prices.**

Investment fees and costs	Up to 0.468% p.a. (estimated)[d]	Deducted from investment returns and reflected in the calculation of unit prices each business day. **This fee is not deducted directly from your account.**
Transaction costs	Up to 0.03% p.a. (estimated)[e]	Reflected in the calculation of unit prices each business day, depending on the costs incurred outside the Fund in investing the assets of the investment option. **This cost is not deducted directly from your account.**
Member activity related fees and costs		
Buy-sell spread[f]	Buy: 0.06% Sell: 0.06%	Applies when you contribute to your account (buy units), withdraw from your account (sell units), or switch between investment options and is reflected in the unit price when units are bought and sold. **This cost is not deducted directly from your account.**
Switching fee	Nil	Not applicable
Other fees and costs[g]	Varies, depending on the activity, advice or insurance	Activity and advice fees are deducted directly from your account, when applicable. Any insurance fees (premiums and associated costs) are deducted from your account balance at the end of each month in arrears, or when you close your account.

a. *If your account balance for a product offered by the Fund is less than $6,000 at the end of the financial year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance for the year (or the period until your account is closed). Any amount charged in excess of that cap must be refunded.*

b. *The Plan is eligible for a reduction in the asset administration fee deducted directly from your account. The asset administration fee applicable to the smartMonday LifeStage strategy is shown in the table above. The asset administration fee for other investment options is 0.00% p.a.*

c. *Estimates are based on the 2025/26 financial year and may vary in future years.*

d. *Investment fees and costs are based on the 2025/26 financial year and may change in subsequent years depending on (for example) the indirect costs incurred in underlying investments.*

e. *Transaction costs are based on the 2025/26 financial year, net of any amounts recovered through buy-sell spreads, and may vary in future years.*

f. *The buy-sell spread is a mechanism to recover transaction costs incurred by the Trustee in relation to the purchase or sale of assets when money moves into or out of an investment option.*

g. *Other fees and costs may apply, including activity fees, advice fees (for personal advice) and insurance fees (where applicable). See the Additional explanation of fees and costs section of the How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide for more information.*

Example of annual fees and costs for a superannuation product

This table gives an example of how the ongoing annual fees and costs for the smartMonday LifeStage (MySuper) option for this superannuation product can affect your super investment over a one-year period. You should use this table when you want to compare this superannuation product with other superannuation products.

The example is applicable to the Age 67 and Over LifeStage of the MySuper product. Combined ongoing fees and costs for other LifeStages of the MySuper product are lower. The annual fees and costs may be reduced if discounted asset administration fees apply.

EXAMPLE – smartMonday LifeStage (MySuper) - Age 67 and over		**Balance of $50,000**
Administration fees and costs	0.11% Plus $67.60	For every $50,000 you have in the superannuation product, you will be charged or have deducted from your investment **$55.00** in administration fees and costs, plus **$67.60** regardless of your balance.
PLUS Investment fees and costs	0.468%	**And,** you will be charged or have deducted from your investment **$234.00** in investment fees and costs.
PLUS Transaction costs	0.03%	**And,** you will be charged or have deducted from your investment **$15.00** in transaction costs.
EQUALS Cost of product		If your balance was $50,000 at the beginning of the year, then for that year you will be charged fees and costs of **$371.60**[a] for the superannuation product.

a. *Note: Additional fees may apply.*

Advice fees

The Fund provides access to an intra-fund advice service through a team of smartCoaches, the cost of which is included in the administration fees and costs (it is not charged as a separate fee). If you need more comprehensive personal financial advice you may wish to engage the services of a financial adviser.

WARNING: If you consult a financial adviser, additional fees may be payable to the adviser. Details of any such fees will be included in a Statement of Advice that the adviser should provide to you.

Changes to fees and costs

We reserve the right to change the fees and/or charges without your consent. Any material increases in fees or charges must be notified to you at least 30 days in advance of the increase taking effect. Buy-sell spreads and estimated fees and costs are subject to change from time to time and these changes may be published at **smartmonday.com.au** We recommend that you regularly check the website for updated fees and costs information.

As a member of the Plan, you are eligible for a reduction in the asset administration fee deducted directly from your account based on the size of your employer's plan. Any reduction will cease if you cease to be a Partner of MinterEllison (or, for a spouse member, if your spouse ceases to be a Partner) and you are transferred to the Fund's retained category (where the administration fees and costs will revert to the maximum rate of 0.16% plus $67.60 p.a.). We will write to you when we transfer you to the retained category.

You should read the important information about *Fees and costs* including a definition of each type of fee and cost before making a decision. Go to the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at smartmonday.com.au The material relating to *Fees and costs* may change between the time when you read this Statement and the day when you acquire the product.

7. How super is taxed

The tax treatment of super is complex and may change. This section provides a summary only, that is general in nature. The impact of super tax rules depends on your individual circumstances. We recommend that you consult a professional adviser for advice about how the tax treatment of super affects you.

Tax on contributions

The tax payable on contributions depends on the amount and type of contribution.

There are limits, called 'contribution caps', on the amount you can contribute to super. The contribution caps apply across all super accounts you hold. You should monitor all contributions (made by you and on your behalf) to ensure they do not exceed the caps.

WARNING: You will pay extra tax if you exceed the caps.

Type of Contribution	Tax rates for 2026/27
Concessional (before-tax contributions) E.g., employer contributions (including salary sacrifice contributions), personal contributions claimed as a tax deduction.	15% on amounts up to $32,500 p.a. (or up to your higher cap if you have unused concessional cap amounts from the previous 5 financial years and your Total Super Balance[a] is less than $500,000 on 30 June of the previous financial year). Generally, we will deduct this contributions tax when a contribution is processed to your account. An additional 15% will apply if your income plus before-tax contributions (within your cap amount) is greater than $250,000 a year. Contributions that exceed the cap will also incur additional tax (based on your marginal tax rate, less a 15% tax offset due to tax paid by the Fund). Any additional tax is payable by you personally, however you may be able to release some of your super to meet this liability.
Non-Concessional (after-tax contributions) E.g., personal contributions (not claimed as a tax deduction), spouse contributions, excess concessional contributions retained in the Fund.	Nil on amounts up to $130,000 p.a. (or up to $390,000 over 3 years if certain conditions are met). If your Total Super Balance is equal to or more than the general transfer balance cap[b] at the end of the previous financial year your non-concessional contributions cap is nil. Contributions that exceed your cap are subject to extra tax payable by you personally, however you may be able to release some of your super to meet this liability. The tax you pay depends on whether you release the excess non-concessional contributions (plus associated earnings) from the Fund.

a. Total Super Balance is the amount you hold across all super products.

b. $2.1 million for 2026/27.

Tax on investment earnings

Investment earnings are generally subject to a tax rate of 15%, however offsets (tax credits and rebates) apply which may reduce the effective tax rate. This tax is calculated and deducted before investment returns are applied to your super account.

If your total superannuation balance exceeds $3 million, you may be subject to additional tax on a portion of your superannuation earnings from 1 July 2026 (Division 296 tax). A higher rate applies to the portion of earnings attributable to balances over $10 million. The tax is assessed to you personally. For more information, visit the **ato.gov.au**

Tax on withdrawals

Tax on withdrawals you make is deducted before you receive your payment (if applicable). The tax treatment varies depending on the components of your payment and your age.

Component	Tax rates for 2026/27
Tax-free component	No tax payable
Taxable component – taxed element	**Age 60 or above:** tax free **Below Age 60:** 20% plus Medicare Levy
Note different tax rates apply to payments in other circumstances, e.g. lump sum death benefits paid to dependants (for tax purposes) and qualifying terminal illness payments are tax-free.	

WARNING: You should provide your TFN when acquiring this product. If we don't hold your TFN, we may not accept member contributions for you. The tax on concessional contributions and super benefits may be higher and it may be more difficult to locate any lost super benefits or consolidate your super.

You should read the important information about *How super is taxed* before making a decision. Go to the *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide* available at smartmonday.com.au The material relating to *How super is taxed* may change between the time when you read this Statement and the day when you acquire the product.

8. Insurance in your super

This section provides a summary of the different types of insurance cover that, subject to meeting eligibility requirements, you may be able to access as a member of smartMonday PRIME - MinterEllison Partners' Superannuation Fund. The types of cover available are summarised below.

Type of Insurance	Description of Insurance[a]
Death Cover	A lump sum benefit is payable in the event of your death or terminal illness diagnosis while an insured member.
Total and Permanent Disablement (TPD) Cover	A lump sum is payable in the event you become totally and permanently disabled while an insured member.

a. Subject to acceptance of your claim by the Insurer.

Insurance cover is available in the Fund through a group insurance policy held by the Trustee. Cover is subject to the terms and conditions contained in the policy, the interpretation of which prevails over any information that may be inconsistent with the PDS, *Insurance Guide*, and any other related disclosure or information.

Eligibility for insurance cover

To be eligible to become or continue to be an insured member, you must continue to meet the eligibility criteria, including but not limited to being an Australian, New Zealand citizen or permanent resident (as defined in the *Migration Act 1958 (Cth)*) and living in Australia on a permanent basis or having a visa and residing in Australia. You must be working in an occupation that is acceptable to the Insurer when cover commences. You must also remain a member of the Plan. Cover ceases under the Plan upon certain events. You may be able to continue cover under a retail policy, subject to Insurer's acceptance and certain conditions.

See the *Insurance Guide* for more information.

Partners

If you are a Partner of the Firm and meet the Eligibility (including the Category eligibility criteria) conditions, you may be eligible to transfer cover into the policy held under the Plan, and apply for an additional amount to increase your transferred cover.

If you choose to join the Plan, you have the option of transferring your standard insured amount from a non-superannuation insurance policy 6080923 issued by the Insurer to MinterEllison (Non-Super Policy) across to your super account at the next 1 July. The transfer can be done without the need for underwriting but will be subject to the Insurer's approval.

Spouse members

If you are a spouse member and eligible for cover, you may apply for 'voluntary' Death-only or Death and TPD insurance cover. Interim accident cover will be provided during the assessment of your application from the date we receive your application, which will only cover you for accidents. Your application for Full Cover is subject to the acceptance by the Insurer, and you will need to provide satisfactory evidence of your good health. The Insurer may accept or decline the application. See the *Insurance Guide* for more information.

Tailoring cover to suit your needs

Depending on the type of cover you have, you can apply to increase, reduce, fix your level of cover at a dollar amount, or transfer other cover you may have under another group insurance policy into the Plan. Eligibility criteria apply and any changes or additional cover are usually subject to acceptance by or on behalf of the Insurer.

What is the cost of insurance cover?

The total cost of your insurance is referred to as 'Insurance fees' and includes the insurance premium and an insurance administration fee. Insurance fees depend on your membership category, the type and amount of cover, and your age and gender. Additional loadings may apply in certain circumstances.

Insurance fees will be deducted monthly in arrears from your account when your cover commences in the Plan.

Death and TPD cover

Insurance fees for one year's cover of $1,000 generally range from $0.22 to $19.95.

For example, a male Partner turning 44 next birthday with Death cover of $1,500,000 and TPD cover of $1,250,000 pays $0.69 per $1,000 for Death cover and $0.49 per $1,000 for TPD cover.

The total insurance fees for one year's cover is:

Death cover: $1,500,000/1,000 x $0.69, plus
TPD cover: $1,250,000/1,000 x $0.49
$1,035 + $612.50 = $1,647.50

See the *Insurance Guide* for more information.

Important notes

- There are costs associated with insurance cover that you are responsible for. Insurance fees will be deducted from your superannuation account balance unless you cancel it.
- We are not permitted to provide insurance cover if the Fund has not received a contribution or rollover in for a continuous period of 16 months, unless you have elected to keep your cover or another exception under the SIS Act applies. If your cover has ceased due to inactivity on your account (as described above), you can apply for reinstatement of cover within 60 days, and your cover may be reinstated. For more details, please read the *Insurance Guide*.
- You can cancel any cover you have in the Plan at any time by contacting us. Before cancelling, please note that your partnership agreement with MinterEllison may require you to hold specific levels of Death and TPD cover. You may wish to speak with your HR representative at MinterEllison before cancelling or changing your cover. Future applications for cover will be subject to acceptance by the Insurer. The Insurer may also decide to apply restrictions or a premium loading to your cover after assessing your application.

9. How to open an account

Read this PDS, *How smartMonday PRIME - MinterEllison Partners' Superannuation Fund Works Guide*, *Insurance Guide*, and the *Target Market Determination* before deciding to apply for membership in the Plan.

You should consider any contributions into your super that you or MinterEllison may make, your investment strategy, insurance cover, and who you want to leave your super benefits to if you die (i.e. nominating your beneficiaries). Call us if you need any help or advice on 1300 614 644.

Partners can apply for membership by completing the Application form in the *Partners' Member kit* available on the website at **smartmonday.com.au**. Completed forms should be returned to your *Partner Services Director* at MinterEllison, who will forward to us the details required to open your super account.

Spouses can apply for membership by completing the Application form in the *Spouse Member kit* available on the website at **smartmonday.com.au**.

We'll send you a *Welcome Pack* shortly after opening your account.

If we are unable to open your account or increase your interest in the Fund for any reason, monies received for investment may be retained in a separate trust account in accordance with relevant law for a period of up to 30 days and then returned to you or dealt with as otherwise required by law. Any interest earned on these monies is retained by the Trustee and is not paid to you. The Trustee may apply this interest towards expenses (such as bank fees) that would otherwise be paid from Fund assets, and any excess may be allocated by the Trustee to the Fund's General Reserve.

Cooling-off period

If you join smartMonday PRIME - MinterEllison Partners' Superannuation Fund yourself, you have 14 days to change your mind. The 14 days start on the earlier of the date you receive confirmation that your account is open, or the end of the fifth business day after we issue the product to you. Cooling off does not apply if you were joined by your employer, or once you have exercised a right in relation to your account (for example, made a withdrawal or switched investments).
