Moisture Barrier		Primer	Smoothing & Ramping Mortars		Levelling Compounds				
									
158W Fast Barrier		Prep N Prime	Pro Finish	Ramp & Patch	Level Top	Level Eco	Level 30	Level Ultra	4020 Fibre Level
Rapid drying, odourless epoxy barrier that chemically cures to protect from rising subfloor moisture but also from liquids penetrating into concrete.		Designed to prime nonporous surfaces including vinyl, terrazzo, glazed tiles, epoxy coatings, steel & acrylic membranes.	Fast-drying, smoothing and self-priming skim coat.	Sikafloor Ramp & Patch is a fast setting ramping /patching mortar used for internal and external concrete surfaces.	High-flow self levelling compound with great workability and low shrinkage.	Economical high-build levelling compound.	Industrial self-levelling compound with a fully trafficable surface once sealed to withstand forklift traffic.	Premium, high performing, fiber reinforced levelling compound.	Fast drying fiber reinforced levelling compound for semi-flexible substrates.
