My Provider will recommend the necessary care to treat my condition. This care may include medical, surgical, or diagnostic treatment such as laboratory tests. Recommended care will not be performed until the treatment or service is explained to me and I consent. I understand I may choose another provider at any time to deliver care or to render a second opinion. I understand my care team may include medical students and other clinical trainees. I am aware that I have the option to decline a trainee's involvement in my care at any time by notifying the practice staff or Provider.

Cancellation & No-Show Policy

Initial: ____ As a courtesy to our providers and other patients, if you need to cancel or reschedule your appointment, we ask that you notify us at least 48 hours in advance and 72 hours in advance for cosmetic appointments for 60 minutes or longer. *No-Show* appointments are considered appointments that are canceled the same day as the appointment, not showing for an appointment, or when a patient arrives 15 minutes after their scheduled appointment time. A *Late Cancellation* is considered less than 72 hours prior to a 60-minute cosmetic appointment. We reserve the right to charge a non-refundable cancellation or no-show fee of $50-$100 for a general dermatology appointment. If a scheduling fee is required when scheduling a cosmetic appointment, that fee is forfeited if a patient is considered a no-show or has given a late cancellation notice. Three no-show appointments within a 12-month period will put you in jeopardy of scheduling with the clinician and possible dismissal from the practice.

Financial Policy

If you have questions about our financial policy or about paying your bill, please contact our billing department at 978-371-7010, press 5. We accept cash, check, Visa, MasterCard, American Express, and Discover.

Insurance: We participate in most insurance plans. At each visit we verify your current insurance. If we are unable to verify insurance coverage, you will be expected to pay at the time of service. It is your responsibility to know your benefits. Please contact your insurance company directly with any questions you may have regarding your coverage.

Co-Payments and Deductibles: Co-payment and co-insurance are determined by your insurance. All co-payments must be paid at the time of service. A deductible is the dollar amount you must pay out of pocket during the year for medical expenses before your insurance begins to pay.

Referrals: If your insurance policy requires a referral from your Primary Care Physician, it is your responsibility to obtain one. If the referral is not sent to us prior to your appointment, you will be responsible for the cost of services rendered.

Non-Covered Services: Some services you receive may not be covered by your insurance. If you and your provider agree that non-covered services are needed or if you request a non-covered service, you will be responsible for full payment of the non-covered service. Aesthetic services are always payable at the time of the visit.

Treatment of Minors: Patients under the age of 18 must be accompanied by a parent or guardian to their first appointment. To provide treatment to a minor without the presence of a parent or guardian during subsequent visits, a signed consent form must be on file. All copays or monies due are expected to be paid at the time of each service.

Non-Payment and Returned Checks: We understand that temporary financial problems may affect the timely payment of your balance. Please communicate your situation with the billing department so that we can assist you in the management of your account. If your account is 90 days past due, your account will be referred to a collection agency. This agency may report your delinquency to a credit bureau. You also may be dismissed from our practice for non-payment. There will be a $25 charge for checks returned for insufficient funds.
