

Admission procedure for the entrance examination to the 1st bilingual class of the Progymnasium

The admission procedure for the entrance examination is accomplished in the following steps:

Contact the secretariat and send the last report

Visit to an **information event** in November / December 2026

By **Monday, 05 April 2027** at the latest:

a short written “application” should be submitted online (sekretariat@fgz.ch) to Vice Principal Doron Toggenburger containing

- personal details (parents and child)
- school report from February 2027
- letter from the parents containing
 - a description of the current school situation
 - details of language situation (mother tongue(s), other languages spoken)
 - reasons for the choice of the Progymnasium education, as opposed to lower school of the Gymnasium or other choices
 - results of the entrance examination for the Gymnasium in the event that this has been taken
 - some indication of the education path they would like to see for their child

Optional: visit to school lessons on Saturday, 09 January or 30 January 2027 (according to special timetable).
