Dear Booksellers,

Be inspired by creative lifestyles and heartfelt stories with these picks from Hardie Grant!

Discover the art of authentic living with *Sanctuary*, a beautifully curated interiors book featuring 21 homes from around the world. From an idyllic forest dwelling in Vancouver to a rural retreat in Devon, *Sanctuary* will take you on a journey exploring how creative individuals live, and how they instil their homes with meaning, warmth and memories. *Mothering On Our Own* brings together 30 raw and honest stories from women who have gone through and made it out the other side of single and solo motherhood. Sharing wisdom on its struggles, joys and sacrifices,

this collection encapsulates the resilience, courage and unwavering spirit of mums.

Embrace a sustainable lifestyle no matter where you live with *Everyday Permaculture*. This comprehensive guide from sustainability educator Anna Matilda – aka ‘The Urban Nanna’ – provides practical and simple ways to integrate eco-friendly habits into your daily life, while easing the cost of living and stressors of the everyday renter.

From Ultimo Press comes *Catching the Light* by Joanna Horton. Impulsively, single mother Sylvie uproots her life and move to an artists’ colony with her daughter Alice, after meeting Michael, a renowned painter. Without her mother’s knowledge, Alice engages in an act

of teenage defiance that will shape both their lives. Years later, Alice is sought out by Caroline, an art historian researching Michael’s work. As their conversations tease out long-buried memories, Alice grapples with her past and Caroline’s hidden agenda.

Finally, *Inked* is a hilarious enemies-to-besties graphic novel brimming with slapstick humour! When Sid discovers a pesky, opera-singing octopus called Otto in his family’s fish shop, he is NOT happy. But when auditions open for a new TV talent show, the pair have the chance to win enough prize money to solve all their problems. Can these frenemies work together to win, or will it all end in disaster?
