COVER FORTHCOMING

Dear Booksellers,

Expand your world with these insightful titles from Hardie Grant!

Learn to create beautiful spaces with *Style Your Home*, a practical and accessible guide to home decorating. Interior designer Emma Blomfield breaks down the essential rules of style, with tips for maximising your space on any budget. Perfect for renters and first home owners, this book provides the confidence and knowledge to make your house a home.

*Modern Nordic* is a celebration of contemporary Scandinavian cuisine from chef Simon Bajada. Featuring everyday recipes that showcase fresh, seasonal ingredients, this cookbook draws on traditional flavours

and cooking techniques – like smoking and pickling – that are easy to recreate at home. Complete with breathtaking photography, *Modern Nordic* is a feast for all the senses.

New from Pantera Press is *Cult Bride*, an extraordinary true story about how one woman was broken down by a secretive, predatory cult – and how she broke free and remade her life. This powerful, candid memoir from Liz Cameron combines a gripping first-person account with psychological research that explores how cults operate in plain sight – and how we can unpick the systems that enable them to prey on vulnerable people.

From Ultimo Press comes *The Ones We Love* by Anna Snoekstra where something is going

on behind closed doors ... Every family has its secrets, but what do the Jansen family have to hide? In non-fiction, Harrison Christian is back with *Darwin on the Beagle*, the story of the voyage in the Pacific that changed human understanding forever.

Lastly, in *Dr Golly's Guide to Family Illness*, renowned paediatrician Dr Daniel Golshevsky (aka Dr Golly) brings his wealth of experience to this comprehensive, reassuring guide to children's health. Learn how to recognise symptoms, navigate through common bugs, and identify severe illness where you may need more support with this essential, research-based resource.
