Dear Booksellers,

Be transported with these unforgettable new titles from Hardie Grant!

Create delicious, nutritious meals on any budget with *The Weekly Grocery Shop*. Nabula El Mourid, of game-changing grocery shopping app Supermarket Swap, teaches us how to make healthy eating achievable and economical through the weekly food shop. Plan meals, save money and reduce food waste, with 70 tasty recipes that will take you from breakfast to dinner, all through the week.

Get inspired for your next overseas adventure with two new *Intrepid* travel guides: *Intrepid Italy* and *Intrepid Vietnam*. Discover the most engaging and fulfilling experiences from

across these incredible destinations, and gain local insights into their unique histories, landscapes and cultures.

The Washup is a deadpan, offbeat crime fiction debut from Nicole Crowe. When Eve's sister is involved in a horrific skydive gone wrong, it is ruled an accident. But Eve is left with a mountain of unanswered questions and is determined to get to the truth. In trying to solve one mystery, Eve will uncover a far deeper secret hidden in the rocky outcrops of Magnetic Island – and put her own life on the line.

From Ultimo Press comes the next crime novel from bestselling author, Sulari Gentill. *Five Found Dead* sees siblings step aboard

the iconic Orient Express, but as the train winds through the Italian Alps, a sinister undercurrent begins to emerge. And Miles Franklin-shortlisted author, Hossein Asgari's new novel, *Desolation*, is a tale of disillusionment and the human spirit and explores the enduring power of storytelling in the face of tragedy.

And *Train of Thought* is a joyous picture book about Andy, who has a brilliant imagination that carries him to the most amazing places. But, when it's time for real-world tasks, Andy's train of thought doesn't always stop! Can Andy find a way to be a treasure hunter and sit down in time for dinner?
