

TRANSATLANTIC BREAKBULK SHIPPING: SECURE & TIMELY DELIVERIES

DEPENDABLE AND PUNCTUAL CARGO TRANSPORT

Our fleet, equipped with cutting-edge technology, is your reliable partner in cargo transportation. We handle diverse cargo, from steel products to oversized items like industrial machinery. Our heavy-lift capabilities at select ports ensure that even the most substantial loads are easily accommodated.

REGULAR SAILINGS TO SUIT YOUR SCHEDULE

With over **50 annual sailings** from Northern Europe to the St. Lawrence River and Great Lakes, our fleet of nearly **50 vessels** meets your shipping needs with consistency and frequency.

FLEXIBLE PORT OPTIONS FOR OPTIMAL CONVENIENCE

Choose from a variety of primary loading and regular discharge ports to fit your logistical requirements. Our HWY H2O membership highlights our commitment to enhancing regional transportation and promoting the Great Lakes/Seaway System.

SIX DECADES OF UNMATCHED SERVICE EXCELLENCE

Our tradition of surpassing customer expectations testifies to our dedication to service and reliability. We're committed to fostering growth and maintaining our **reputation for excellence**.

PREMIER ICE-CLASS FLEET FOR THE GREAT LAKES

Fednav boasts the world's most extensive collection of modern handysize laker vessels, most of which hold ice-class status. Managed to the highest standards, our fleet ensures dependable service while prioritizing environmental stewardship.

CHAMPIONING ENVIRONMENTAL RESPONSIBILITY

We take our role in environmental conservation seriously, ensuring the sustainability of the oceans and communities we serve. We are proud to be **founding members of Green Marine**, a voluntary environmental certification program of the North American maritime community.
