THIS EXPRESS CARGO BILL IS A NON-NEGOTIABLE DOCUMENT: Delivery will be made to the consignee named or his authorized agent on production of proof of identity at the port of discharge or place of delivery as may be applicable. Should the consignee require delivery elsewhere than at the port of discharge or place of delivery shown herein, then written instruction must be given by the consignee to the carrier or his agent. Should delivery be required to be made to a party other than that named as consignee, authorization must be given in writing by the shipper to the carrier or his agent. This Non-Negotiable Express Cargo Bill is deemed to be a contract of carriage as defined in Article 1 (B) of the Hague Rules and Hague-Visby Rules but is not a document of title to the goods. The shipper on entering into the contract of carriage does so not only on his own behalf but also as agent for and on behalf of the consignee, and warrants to the carrier that he has authority to do so.

The term "Apparent Good Order and Condition" when used in this Bill of Lading with reference to iron, steel or metal products does not mean that the goods, when received, were free of visible rust or moisture. If the shipper so requests, a substitute Bill of Lading will be issued omitting the above definition and setting forth any notations as to rust or moisture which may appear on the Mates' or Tally Clerks' Receipts.
