

TRANS-PACIFIC BREAKBULK SERVICE

FEDNAV - 30 MILLION TONNES OF EXPERIENCE

Fednav is Canada's leading bulk shipowner, backed by more than 80 years of expertise. We operate a fleet of over 120 owned and chartered bulk carriers, including the world's largest fleet of Lakers, transporting goods in and out of the St. Lawrence River and the Great Lakes of Canada and the United States. Renowned for our Arctic capabilities, Fednav also boasts the world's largest fleet of ice-class bulk vessels.

Headquartered in Montreal, Fednav maintains regional offices in Singapore, Tokyo, Antwerp, Hamburg, South Africa, and São Paulo.

FEDPAC & FEDPAR - FEDNAV'S INTEGRATED TRANS-PACIFIC BREAKBULK SOLUTIONS

Fednav's **FEDPAC** and **FEDPAR** services together form a powerful, integrated network connecting major markets across the Pacific. Designed for shippers moving complex, diverse, and high-value cargo, these services offer dependable sailings, exceptional operational standards, and the strength of one of the industry's most experienced bulk and breakbulk operators.

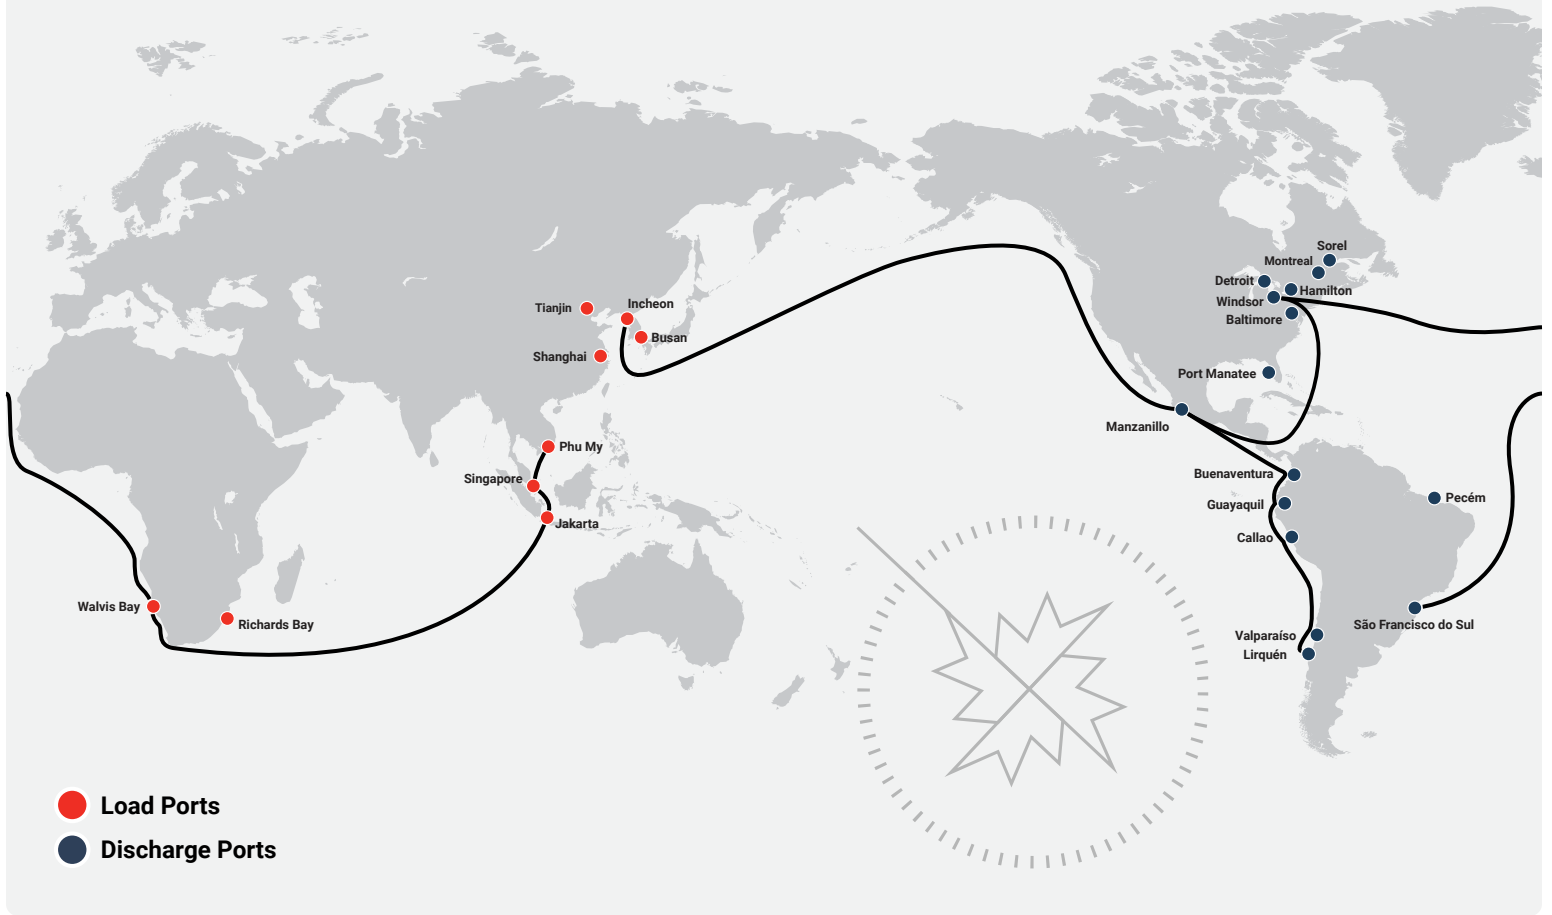

FEDPAC, our flagship Trans-Pacific liner service operating since 1970, links the Far East, Southeast Asia, India, and South Africa with East Coast Canada, the United States, the St. Lawrence River, and the Great Lakes. **FEDPAR** extends this reach into the Americas, connecting the Far East with both the West and East Coasts of South America. Together, they provide a seamless corridor for general cargo, steels, bulk commodities, bagged goods, project cargo, and containers.
