

Welcome

WHO IS THE ORGANISER?

The organiser of the “**Welcome**” programme (the “Programme”) is **Satispay** (referred to as “Satispay”, or “we/us”).

Satispay is a smart and secure payment system that allows you to pay in stores, receive Cashback, send money to friends and save money in a smart and secure way.

You can contact us using the “Contact us” function in our App, by email at support@satispay.com, or by post at 53 Boulevard Royal, L-2449 Luxembourg.

WHO ARE THE PROGRAMME TARGETS AND HOW DO WE SELECT THEM?

The Programme is open to all **consumers** (“Beneficiaries”) who:

- Have never registered through the Satispay App with the Satispay Consumer service offered by Satispay Europe S.A. (click [here](#) for further details); and
- Have a link, a dedicated landing page or a promotional code (“Promo Code”) created and shared by us, by your friends and contacts, or by affiliated brands that are part of the Programme

As a Beneficiary, you may take part in the Programme only once.

WHAT IS THE BENEFIT AVAILABLE AND HOW DO YOU GET IT?

As a Beneficiary, you could get a **bonus** equal to the amount we've communicated to you about or that's been promoted by us or our partners (the “Bonus”).

Getting the Bonus is very easy! Just follow the instructions below 📌.

1. **Download the App through the link received or directly from an app store**
2. Follow the guided procedure for registering with the Satispay Consumer service
3. **Finalise the registration with the Satispay Consumer service**, by entering the information and uploading the documents requested **by the end of the campaign**
4. Set the **Budget** in the App
5. Spend at least 5.00 € via the App to **physical and/or online stores** affiliated with the Satispay services within **30 days** after entering the Promo Code in the App

After the terms of the campaign have passed, the Promo Code expires and you will no longer be entitled to get the Bonus.

 **Important note:** If you download the App without following the link received, you will have to manually enter your Promo Code during the registration process for the service. Failure to key in the Promo Code results in the inability to receive the Bonus.

 **You may get the Bonus only if you pay in online and physical shops.** To be specific, these will **not** be considered eligible payments:

- money transfers to contacts;
- money transfers to Savings and/or to shared Money Boxes;
- gift cards purchases;
- donations;

- mobile-phone top up;
- road tax (if available in your country);
- Slips payment, including Pago PA (if available in your country).

HOW WILL YOU BE INFORMED ABOUT THE BONUS?

You will receive the Bonus once you have spent 5.00 € **via the App in online and physical stores** affiliated with the Satispay services.

Satispay Europe S.A. may activate the Satispay Consumer service in case of a positive outcome of the identification processes and appropriate checks, and also if you have all the necessary requisites (please read the general terms of service, which you can find in the “Legal” section of the [website](#)). The processes of identification and adequate checks start once registration with the Satispay Consumer service has been concluded.

You can check at any time whether you have been credited with the Bonus in the **Profile** section of the App. This “incoming transaction” will be visible at any time in the list of transactions, in the “Transactions” section of the App.

WHAT CAN THE BONUS BE USED FOR?

As a Beneficiary, you may use the credited Bonus to carry out **payments via the App** to third parties affiliated with the Satispay services.
