

CASTELLO DI RONCADE

Baroni Ciani Bassetti

Baronessa Ilaria

RABOSO PIAVE PASSITO IGT VENETO

Baronessa Ilaria is a sweet and enveloping passito wine. We love it for its intense notes of sour cherry, green spices, and blackberry, as well as its perfectly integrated sweetness, thanks to the characteristic acidity of the grape variety. This wine is a true pleasure for the palate, ideal for pairing with blue cheeses, dry desserts, dark chocolate, and moments of meditation. A passito that enchants with its sweetness and depth, satisfying even those who do not usually consider themselves lovers of sweet wines

Grape variety: Raboso Piave 100%

Alcohol content: 15%

Soil composition and terroir: Medium clay soil with silt (calcareous substrate). Roncade, Pantiera vineyards. The Arnasa canal flows around our vineyards, creating a particularly dry micro-climate in which the grapes flourish.

Culture: Guyot and cordon pruning

Vinification: Drying in the drying room; de-stemming and crushing; traditional fermentation with the punching down of the cap; natural static decantation.
