

			Engine	Brake	Instrument	AC	Gearbox	Immoblizer	Restraints	Multifunction	Service	EV	Suspension	TPMS	ADAS
ACM Calibration	2023-2024														
AdBlue dosing valve check	2019-2024	+													
AdBlue dosing leakage check	2019-2024	+													
AdBlue dosing module replacement	2019-2024	+													
AdBlue dosing pump check	2019-2024	+													
AdBlue dosing system check	2019-2024	+													
AEBs Event counters reset	2019-2024														+
Air Suspension activation	2023-2024											+			
Apu test	2023-2024														
Battery replacement	2023-2024										+				
Brake lining condition	2023-2024			+											
Calibration camera	2023-2024														+
Calibration Data	2023-2024														+
Calibration radar	2023-2024														+
Catalyst replacement	2019-2024	+													
Check the air pressure in the system	2019-2024									+					
Clutch calibration	2023-2024									+					
Clutch replacement (Reset counter for incorrect use of gearbox)	2023-2024									+					
Cylinder deactivation	2023-2024	+													
Delete clutch overload entries	2023-2024									+					
Delta pressure sensor replacement	2023-2024	+													
Desiccant holder, air dryer, resetting	2023-2024									+					
Fault memory counter reset	2023-2024	+													
Fisp valve test	2019-2024	+										+			
Hi-Connect counter reset	2019-2024														
IBS sensor replacement	2023-2024											+			
Inclination sensor calibration	2023-2024									+					
Injector code programming	2019-2024	+													
Manual entry clutch closing point	2023-2024									+					
New clutch fitted	2023-2024									+					
Oil change	2023-2024														+
Particle filter regeneration	2023-2024	+													
Particulate filter replacement	2023-2024	+													
Program clutch biting point	2023-2024									+					
Proportional control valve	2019-2024	+													
Rail pressure control valve replacement	2023-2024	+													
Rail pressure sensor replacement	2019-2024	+													
Read configuration data	2023-2024									+					
Regeneration counter reset	2023-2024	+													
Replacement of engine crankcase pressure sensor	2023-2024	+													
Replacement of the alternator	2019-2024	+													
Replacing the NOX sensor downstream of the oxidation catalyst	2023-2024	+													
Replacing the NOX sensor upstream of the oxidation catalyst	2023-2024	+													
Self-adaptive parameters reset	2023-2024	+													
Switching electrovalve	2019-2024		+												
Test of disengagement behavior of clutch	2023-2024									+					
Throttle valve learning	2023-2024	+													
Unlocking the auxiliary water heater	2023-2024										+				
Used clutch fitted	2023-2024									+					
Write configuration	2023-2024									+					
<b>Kamaz</b>															
54-56 Year model updated	All years	+													
Bleed routine of Diesel fuel metering device	All years	+													
Exhaust Gas flap	All years	+													
<b>MAN</b>															
TGM Year model updated	2020-2023											+			+
Camera arm commissioning	2020-2023														+
Display brightness	2020-2023														+
Read customer specific maintenance parameters	2020-2021										+				
Reset customer specific maintenance parameters	2020-2021										+				
Screen test	2020-2023														+
TGL   Year model updated	2020-2023														+
Camera arm commissioning	2020-2023														+
Display brightness	2020-2023														+
