2ND EDITION

HOW TO USE THIS BOOK

Make a date with your most *unapologetic future self.*

This book should be a chillout zone, not a war room. Switch off 'hustle mode'. It's about showing up for yourself and your future, in whatever way feels right for you.

You'll find **prompts, exercises, scribble space, mess-friendly mind maps** and a few **unexpected nudges.** We'll talk **values, boundaries, burnout, joy,** and occasionally, **money.**

Do one exercise or do them all. Scribble in the margins. Wear PJs, glitter boots or anything in-between. But **light a fire, not a scented candle.** Make a date with your most unapologetic future self. Just start. Because when women and gender-diverse people rise, we rise together. And the ripple we create becomes a storm of change.

SUPER

A QUICK NOTE FROM THE CREATORS AT VERVE SUPER

We feel it – the system was built around the patriarchy. That's why there's still a gender pay gap, why women do more unpaid work and why they retire with less than men.

As Australia's only ethical super fund tailored for women and gender-diverse people, Verve Super is here to help you build wealth and set financial goals, which starts with supporting the self-awareness, headspace and intention behind them.

That's where this Little Book comes in. It's packed with exercises and prompts to help you optimise your mindset, tune in to your values and start building a future that works for you. We're here to combine vision with action, and ancient wisdom with modern attitude. Not to sit, set and forget.

Life can feel like a shit-tonne of box-ticking and burnout, where our inner critics can get way too much airtime. But when we pause with intention, we get clarity. We get insight. We get to honour how far we've come, and shape where we're going.

Ready? Let's bring your unique Verve to this Little Book.

Welcome. This is your space.

03

DEFINING YOUR VALUES

What Really Matters?

What ***Really*** Matters?

YOUR VALUES ARE THE COMPASS THAT STEERS YOU THROUGH LIFE.

They guide how you spend your energy, time, love and money. When these stars align, life feels in flow.

1. PINPOINT YOUR TOP 3 VALUES

Circle them, or add what's missing.

JUSTICE	JOY	FREEDOM
SAFETY	GROWTH	COMMUNITY
DISRUPTION	PEACEFULNESS	LOVE
COURAGE	CREATIVITY	WISDOM

2. DEFINE THEM

Pick your top value. What does living it look like in your real life?

Example: *"To me, Freedom means leaving work on time and saying no when I need to."*

3. SPOT THE BLOCKERS

What gets in the way of you living these values? Is it external (systems, workplace, relationships) or internal (fear, perfectionism, beliefs)? Write them down.

4. BACK YOURSELF

Write down one bold action you'll take to back this value.

verve MINI MONEY MOMENT

HOW DOES YOUR MONEY LINE UP TO YOUR VALUES? OR DOESN'T IT?

Example: If 'justice' is your lead value, is your money supporting this?

04

BLOCKER BUSTERS

Energy Leaks, Boundaries & Burnout

IN THIS CHAPTER

This is where we stop pretending *everything's fine.*

Burnout isn't a fail – it's when systems conspire to squeeze women dry (unfairly distributing burdens like mental load, housework, parenthood and more).

So, let's laser those leaks.

Recharge *Menu*

WHAT GENUINELY RESTORES YOU?
SLEEP, DANCE, SILENCE, SUNSHINE, LAUGHTER?

Write a 'recharge menu' of quick fixes and deep resets,
save it in your Notes app – or your calendar.

ENTREES

Take less than 5 mins

SIDES

To combine with another task

MAINS

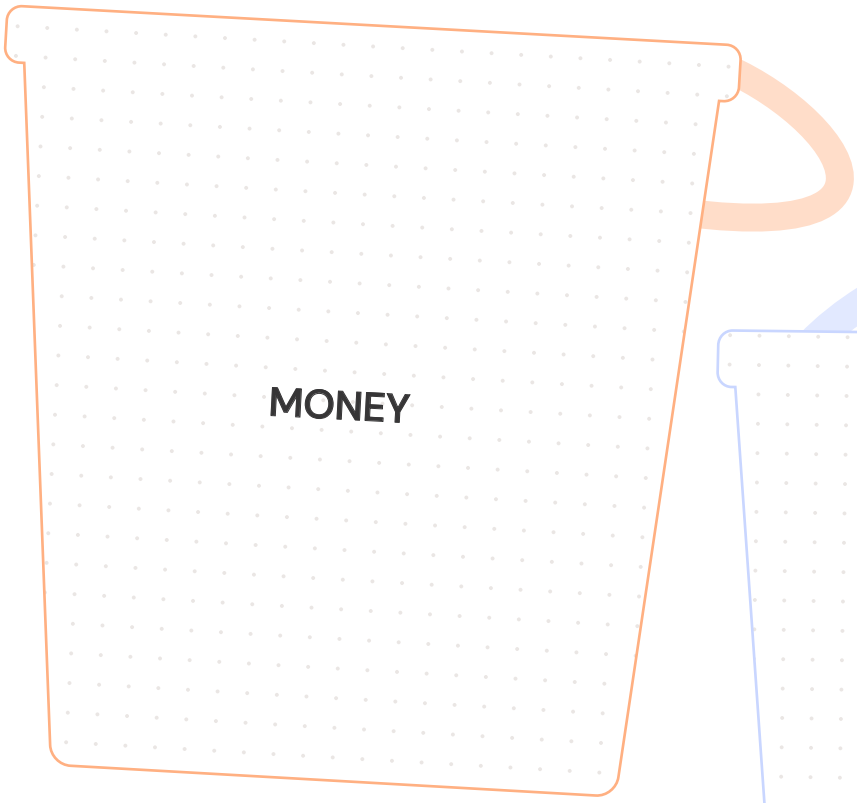
Take an hour, or a day

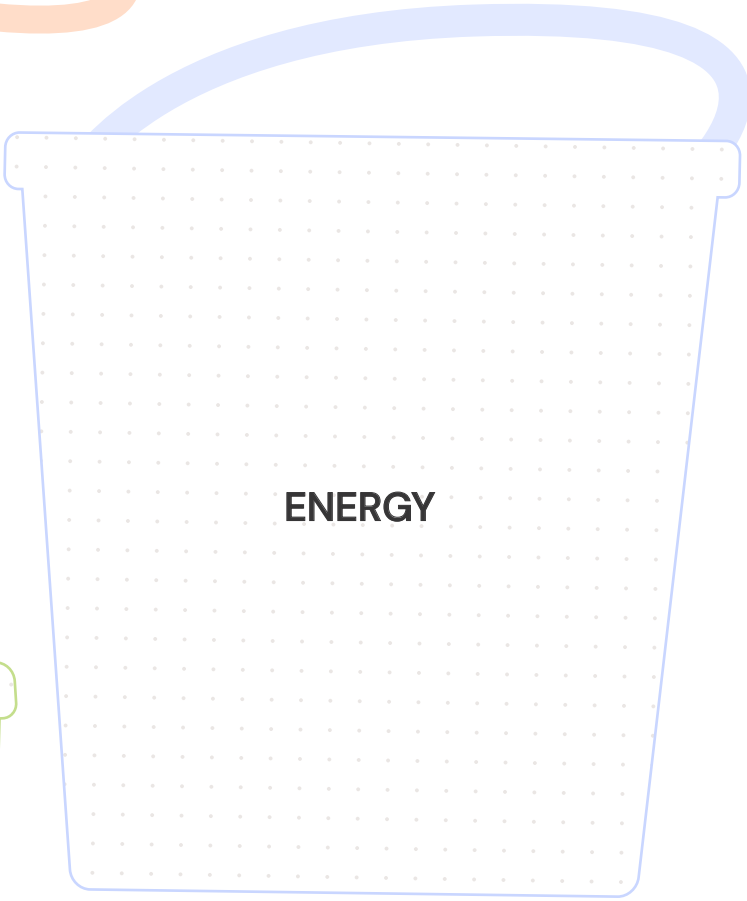
DESSERT

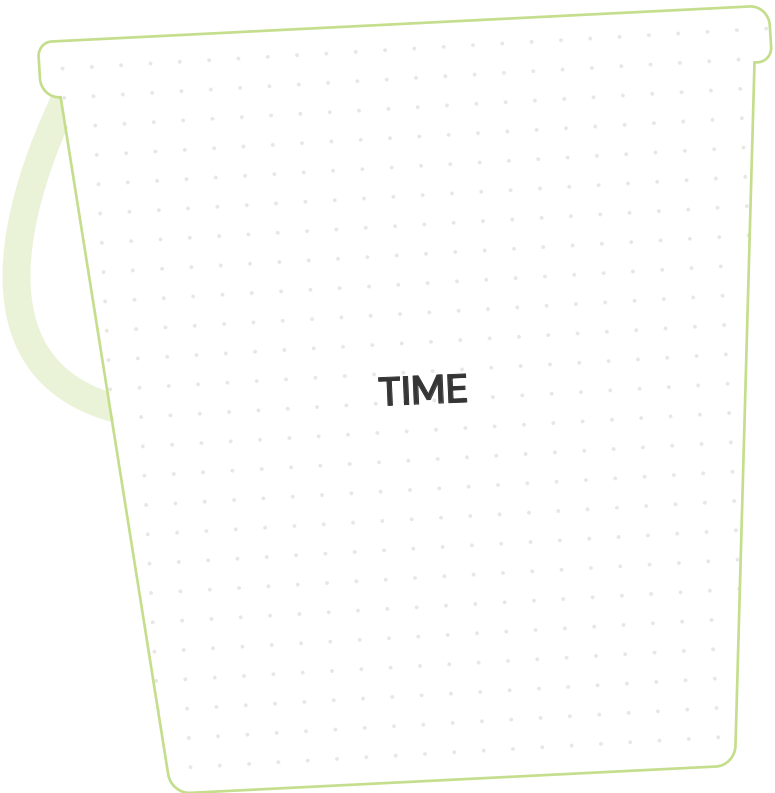
Little treats

Holes in my ***Buckets***

You have three buckets: **Time, Energy and Money.**
Write what's causing the leaks.







EXAMPLES

Time leaks: *endless scrolling, unpaid workload, accidentally saying yes.*

Energy leaks: *toxic workplace, perfectionism, over-committing.*

Money leaks: *guilt spending, late fees, keeping up appearances.*

SET BOUNDARIES, BABY

Choose one leak to patch up by setting a big ol' boundary around it.
Then finish this sentence:

I am no longer available for

MAKE THE ASK

Who's gonna help you hold this boundary?

verve MINI MONEY MOMENT

WHAT'S ONE FINANCIAL BOUNDARY YOU NEED RIGHT NOW?

Examples: *No lending money I can't afford / automating savings / unsubbing from impulse-bait emails*

05

GOAL-SETTING EXERCISES

Rebel Goals, Reimagined

Setting *'BOLD'* Goals

YOU'RE A REBEL WITH HEART. SO BUILD GOALS THAT ARE BRAVE, OWNED, LIBERATED AND DOABLE – AKA *BOLD*.

B

BRAVE
Does it stretch you just enough to feel alive?

O

OWNED
Not your boss's, not your parent's, not Instagram's?

L

LIBERATED
Does it align with your values and free you from old narratives?

D

DOABLE
Can you take one step towards it this week?

01

Set your goal

Using the ***BOLD*** goal framework - **pick one thing you actually want, not 'should' do.**

02

Set your conditions

What are you not willing to sacrifice for this goal? Sleep? Joy? Boundaries? Time with loved ones? This matters.

03

Map the first step

What's the tiniest, most doable next move? Fire off an email? Make a call? ChatGPT some ideas? That's your launchpad.

04

Compassion clause

Write a sentence of kindness to yourself that you can return to if things don't go to plan.

verve MINI MONEY MOMENT

DOES THIS GOAL HAVE A FINANCIAL SIDE?
Examples: *Saving for freedom, investing in learning*

Write one step that connects money with your BOLD goal.

06

PERSPECTIVE EXERCISES

Ripple Effect

Zoom out and notice the impact of your actions. Because *life's not lived in a vacuum.*

IN THIS CHAPTER

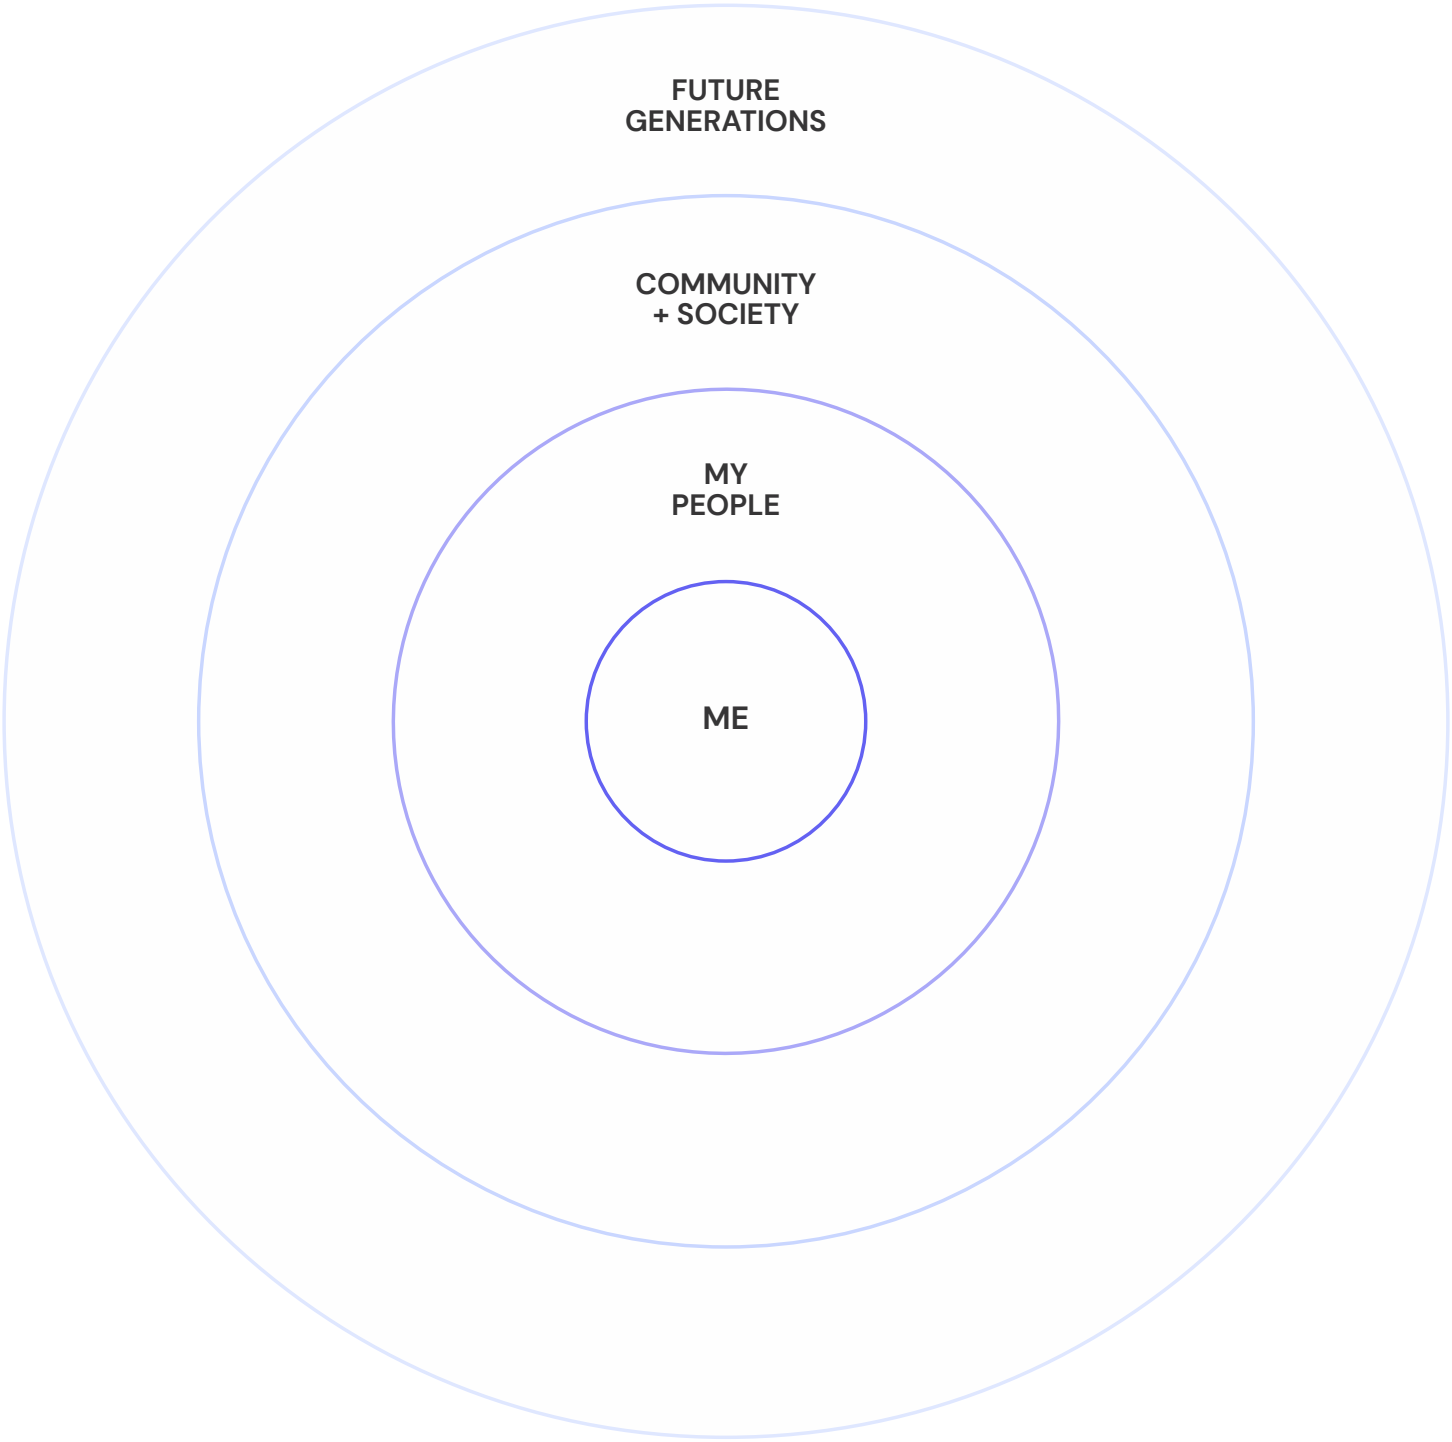
MAKING CHANGES

Write down **one change** you're making this year...

IDENTIFY THE RIPPLES

With yourself in the centre, **write down the impacts this change will make on your people, your community, and even future generations**

Examples: *If I rest more, the kids get a calmer mum. If I negotiate pay, I normalise fairer wages for others.*



Legacy *Love Note*

Write a short note to someone (real or imagined) about the ripple you want to leave behind, or the gift you're passing on.

verve MINI MONEY MOMENT

HOW COULD ALIGNING YOUR MONEY CHOICES WITH YOUR VALUES CREATE RIPPLES?

Examples: Supporting women-led businesses, choosing ethical super, donating to causes.

07

CONNECTION ACTIVITIES

Your Crew

Your *Crew*

NO-ONE CHANGES THEIR LIFE ALONE. SO LET'S NAME YOUR PEOPLE – THOSE WHO REMIND YOU WHO YOU ARE WHEN YOU FORGET.

Write, draw or add photos of your team.

PEP TEAM

Who cheers you on?

COMPASS

Who calls you out?

COMFORT CREW

Who holds space for your messy middle?

MAKE THE ASK

Do you need more support in a certain area? ***Write who you'd love to call in.***

Choose one person to reach out to this week. Send a message, make a date, or just tell them: *I need you in my corner this year.*
