

VITTI POST-TREATMENT INSTRUCTIONS

1. SkinPen Microneedling + Vitti Pure

- Leave Vitti Pure on the skin; avoid washing the area for at least 6–8 hours.
- Use gentle cleansers and avoid exfoliating products for 3–5 days.
- Avoid direct sun exposure; use SPF 30+ daily.
- Do not pick or scratch treated areas.
- Mild redness, swelling, or tingling is normal and should subside within 24–48 hours.

2. Filler + Vitti Pure

- Avoid rubbing, massaging, or applying pressure to the treated area for 24 hours.
- Avoid strenuous exercise, saunas, and hot showers for 24 hours.
- Use cold compresses for any swelling or bruising if needed.
- Makeup may be applied gently after 12–24 hours.

3. Hair Restoration + Vitti Pure

- Avoid washing the scalp for 12 hours after treatment.
- Avoid direct sun or heat exposure for 24–48 hours.
- Avoid hair styling products for 24 hours.
- Mild redness, swelling, or tingling at the injection sites is normal and should resolve within a day or two.

General Tips for All Vitti Pure Treatments

- Stay hydrated to support healing and results.
- Follow any additional instructions provided by your provider.
- Avoid alcohol and blood-thinning medications for 24 hours post-treatment unless cleared by your provider.
- Report any unusual reactions (excessive swelling, severe pain, or signs of infection) to your provider immediately.
