All Crown Estate sites are subject to a number of constraints including a wide range of marine and coastal planning and other interests. The Crown Estate is not responsible for the accuracy of the information shown on this map. The Crown Estate is not responsible for any loss or damage arising from the use of this map.

Offshore Wind Leading Round 6 – Refined Area of Search

- Priority Area - Medium-term
- Potential Area of Opportunity
- Southern Inland Marine Area ¹

Offshore Wind

- Offshore Wind Agreements - The Crown Estate
- Offshore Wind Agreements - Crown Estate Scotland
- Offshore Wind Agreements - Europe

Base Mapping

- UK/NI Territorial Waters Limits
- Renewable Energy Zone Limit and UK Continental Shelf

Indicative site of 1 GW Wind Agreement at 84400m² (200km²)

Examples: Delivery of 1GW of additional offshore wind would require 1.7% of the Round 6 RAO

¹ Future Offshore Wind opportunity in Southern Inland will be reviewed after publication of the NI Strategic Environmental Assessment (SEA)

The locations shown are subject to further refinement to identify much smaller project development areas
