Part 2.

Protection Terms and Conditions

Part 1. Product Disclosure Statement

1. What is a Product Disclosure Statement?

This Product Disclosure Statement (PDS) is an important legal document that contains details about Peninsula Protect, the Protection that is only available to clients of Peninsula Group NZ Limited who are also Members of Peninsula Mutual Limited (Mutual).

The PDS is designed to help you understand what you need to know about Peninsula Mutual and Peninsula Protect so that you can make an informed choice about whether or not you wish to join the Mutual and be eligible to apply for the Protection that is only available to the Mutual's Members.

In this PDS words appearing with capital letters are used in accordance with the definitions in Part 2 unless a statement is made to the contrary.

Part 1 of this document contains information about the Protection offered by the Mutual and how to become a Member. It sets out your rights and entitlements as a Mutual Member and explains the benefits and risks that are relevant to the Protection provided.

Part 2 of this document contains the Terms and Conditions for the Protection offered by the Mutual.

When you join the Mutual and become a Member You will be offered the opportunity to apply for Peninsula Protect and dependent on your service contract options may choose to take either or both of the Protections available. At that time, you will be given details of the amount charged for that Protection (referred to as your Contribution). A Protection Schedule will be issued to you when you purchase Protection and this forms part of the terms and conditions of the Protection.

Before making a decision about joining as a Member and purchasing Peninsula Protect from the Mutual, please read this PDS carefully and keep it in a safe place for future reference.

We may update this PDS from time to time. When necessary Peninsula Mutual will issue a supplementary or replacement PDS.

2. About Peninsula Mutual

Peninsula Mutual is a company limited by guarantee, formed to meet the needs of Peninsula's clients. Using a company structure, clients may join as Members of the Mutual and agree to the rights and entitlements contained in the Mutual's Constitution and By-Laws.

The Mutual is owned by its Members, who as clients of Peninsula have access to employment relations

Part 1. Product Disclosure Statement

and health and safety consulting and other services offered by Peninsula. The Mutual offers its Members the opportunity to access a discretionary cover called Peninsula Protect by paying a Contribution to the Mutual for membership and the selected Protection. Each Member has an entitlement to one vote at any general meeting of Members of the Mutual, regardless of the amount paid for membership and protection.

Peninsula Protect is regulated as a financial product in Australia by the Australian Securities & Investments Commission. Peninsula Mutual holds an Australian Financial Services Licence and is regulated in Australia by the Australian Securities and Investments Commission. Peninsula Mutual is not regulated under the Financial Markets Conduct Act 2013 or the Financial Services Providers (Registration and Dispute Resolution) Act 2008 in New Zealand.

Who manages Peninsula Mutual?

Management of the Mutual, including claims handling, will be carried out by Peninsula Mutual.

The Board of the Mutual has authorised Peninsula Group NZ Limited to arrange for the issue of Peninsula Protect in New Zealand.

3. About Peninsula Protect

Peninsula Protect is the discretionary risk product issued by the Mutual to enable clients of Peninsula Group NZ Limited to access discretionary Protection for key risks associated with managing workplace risks (relating to employment relations and health and safety at work). The Mutual seeks to offer more affordable solutions and broader benefits to its Members as an alternative to traditional insurance. Members have the right to have a claim for Protection considered by the Board. Peninsula Protect is available exclusively to members of the Mutual.

4. Types of Protection

There are two types of Protection available to Members of the Mutual and it is a condition of each that You are required to seek and follow advice from Peninsula when you become aware of circumstances which may give rise to a claim (see also exclusions listed in Clauses 4 and 6 of Part 2, Sections A and B).

1. Employment Relations (Part 2 Section A)

This Protection provides a Member (and its declared subsidiaries and related entities) with the right to lodge a claim for Protection for Loss resulting from action brought against the Member for employment claims such as personal grievances and unjustified dismissal (including any inquiries, investigations or legal proceedings).

Protection is available where the claim is made against the Member and notified to the Mutual during the Protection Period (subject to the detailed terms and conditions in Part 2, Section A).

When a claim for Protection is granted the benefit provided includes legal costs and expenses incurred in defending an employment claim where the Mutual gives consent to those costs.

2. Health and Safety At Work (Part 2 Section B)

This Protection provides a Member (and its subsidiaries and declared related entities) with the right to lodge a claim for Protection for Loss that may be suffered when a formal investigation is commenced by a regulatory body in relation to health and safety, or a sentence of reparation is imposed following a conviction under the Health and Safety at Work Act 2015.

Protection is available where the Claim is made against the Member and notified to the Mutual during the Protection Period (subject to the detailed terms and conditions in Part 2, Section B).

When a claim for Protection is granted it includes cover for reparation costs and legal costs and expenses in defending a claim (where reasonable grounds exist) and the Mutual gives consent to those costs.

5. How protection works

Why does the Board have discretion to approve claims?

Peninsula Mutual refers to the benefits it offers as 'Protection' to highlight the fact that it is offering an alternative to insurance. The Protection offered by the Mutual is 'discretionary Protection'. Discretionary Protection is a legitimate way in which business related financial risk and the consequence of certain events that impact on the business can be managed.

Part 1. Product Disclosure Statement

To qualify as a discretionary Protection, the Board must have absolute discretion to accept or reject a Member's claim. Otherwise there is a risk that the product would be considered an insurance product.

By offering Protection that is discretionary, the Mutual is able to offer its Members a discretionary risk product for management of business and other risks without establishing an insurance company. Discretionary Protection is regulated as a financial product in Australia by the Australian Securities & Investments Commission (ASIC). Peninsula Mutual is an AFS Licensee supervised by ASIC.

In Australia, the Australian Prudential Regulatory Authority (APRA) regulates insurance companies, but not discretionary mutuals such as Peninsula Mutual, so the Mutual is not subject to the prudential standards set by APRA or the provisions of the Insurance Act 1973 and the Protection is not subject to the Insurance Contracts Act 1984. In New Zealand, protection is not a regulated financial service under the Financial Service Providers (Registration and Dispute Resolution) Act 2008, and the Financial Markets Conduct Act 2013. Peninsula Mutual is not regulated by New Zealand regulators. Insurance is different to discretionary Protection because an insurer must indemnify a policyholder if the claim comes within the policy terms and conditions.

Discretionary Protection involves the Board deciding whether to exercise its discretion to pay a claim based on its understanding of the Member's claim. Members are assured that the Board's discretion will be exercised fairly and consistently, and with all due consideration to the merits and circumstances of each claim and the Protection Terms and Conditions.

The Board sets guidelines to assist it when it exercises this discretion in the interests of the Members and they will consider whether a claim falls within the Protection Terms and Conditions contained in Part 2 when deciding whether to pay a claim. The Protection Terms and Conditions in Part 2 of the PDS explain the scope of protection including what is and what is not protected.

Significant risks

You should be aware of the following:

• Protection is not an insurance product

The Mutual provides discretionary Protection which is a 'discretionary risk product'. This means that there is no automatic right of indemnity under the Protection Terms and Conditions. Instead there is an automatic right to have a claim considered. The Member may ask the Board to exercise its discretion to provide Protection. The payment of all claims is at the discretion of the Board.

Part 1. Product Disclosure Statement

- **Whether there is adequate funding of the Mutual**

To ensure there is adequate funding available for the Protection of Members, the Mutual regularly takes professional advice as to the adequacy of the Contributions to meet likely claims liabilities. In addition, the Mutual purchases excess of loss insurance cover that limits the Mutual's exposure to a large accumulation of claims.

- **It is a condition of Membership to be a client of Peninsula**

The Mutual is a mutual for the exclusive benefit of Peninsula's clients. Membership and Protection will automatically cease if a Member ceases to be a client of Peninsula. The Board reserves the right to expel Members who are no longer eligible, or who have failed to pay a Contribution.

- **The law may change**

Because the Protection is applied to certain legal risks there is always a possibility that the law may change. The Board will take steps to monitor any such regulatory changes and where possible adjust the Protections to reflect such changes.

- **Payment of Contributions**

Your membership of the Mutual and your contributions must be up to date if, and when, you lodge a claim for Protection.

- **Terms, Conditions and Exclusions**

It is important that you read Part 2 of the PDS as this sets out the Terms, Conditions and Exclusions that apply to the Protection you have selected.

Significant Benefits

Legal risks, like all risk can cause unexpected disruption to business as well as unexpected and unbudgeted legal costs. The benefits of Peninsula Protect include:

- Broad protection where Peninsula's advice has been sought and followed
- Generous limits of protection
- No deductible
- Cancellation of Peninsula Protect at any time by providing 30 days' notice
- Ability for the Board to exercise discretion to meet meritorious claims that fall outside the protection

6. Claims

You are required to seek and follow advice from Peninsula when you become aware of circumstances which may give rise to a claim in order to gain the benefit of Protection (see also exclusions listed in Part 2, Sections A and B).

How to claim

Claim notifications may be lodged by telephone or electronically using the contact details set out in this PDS. We can provide advice and assistance and you can refer to our website for more details of how we can assist you.

When you make a claim

As a Member of the Mutual, you will have an automatic right to have your claim for Protection considered by the Board of the Mutual.

The Board's discretion to refuse or reduce a claim is absolute. The Board has the power to pay claims that do not fall within the terms and conditions in Part 2 and equally has the power to reject a claim. If the Board exercises its discretion not to pay a claim, or to pay only part of a claim, you will be promptly advised.

The exercise of the discretion is solely that of the Mutual which also at its discretion may elect to take over the management or defence of any claim or recovery action.

7. Membership and Protection

How to join and access Protection

Peninsula will invite its clients to become Members of the Mutual. As a member of the Mutual, you have an automatic entitlement to apply for Peninsula Protect for a period that aligns with your Peninsula contract. This means you may select membership for a period of 1 year, 3 years or 5 years. Once you make the selection of your membership and your application is accepted, your Peninsula Protect benefits will be available to you for the period you nominated.

If you decide to proceed, you will be offered Membership and Peninsula Protect and if you accept you will be provided with a Protection Schedule including details of Your Membership.

The Board has discretion to accept your completed application form for Peninsula Protect and to set the amount of the Contribution payable by each Member.

Part 1. Product Disclosure Statement

The application form will require you to disclose any prior facts and circumstances which may reasonably give rise to a claim.

Changes to Membership details

If your Membership details change including your contact details, you need to advise us. The Mutual will not be liable for any loss you suffer because you have failed to update your details.

Changes to your circumstances

You need to notify us of changes in your circumstances that may affect the risk protected, or may require changes to your level of Protection. Specifically, you need to advise us if any of the answers provided in the application form are no longer correct, if your business activities or industry have changed or if your employee headcount has increased. More details can be found in Part 2 of this PDS.

Where circumstances change such that you are unable to continue receiving Protection, your Protection may be cancelled and, where appropriate, a refund of contributions may be provided. In circumstances where an additional business entity is added to your Protection, if necessary, the Mutual will issue you with a new Protection Schedule or it may endorse your existing Protection Schedule with the new details. The Mutual will also determine if any additional Contributions must be paid by you.

Membership Renewal

Your Peninsula Protect benefits are available to you for the duration of your Peninsula services contract (i.e. 1 year, 3 years or 5 years). Prior to the expiry of your Protection Period and expiry of your contract with Peninsula, you will receive an email reminder advising that both your Peninsula services contract and Peninsula Protection is due for renewal. If you do not wish to renew your Peninsula Protection, you must provide 30 days' notice of your decision not to renew.

Cancelling your Membership and Protection

You may cancel your Membership and Protection at any time by giving the Mutual 30 days' notice. If you decide to cancel your Membership or Protection(s) during the Protection Period, and you have already paid the Contribution for the current period a refund of Contribution will apply in accordance with the process described in Part 2.

8. Contributions and other Payments

How Contributions are calculated

Eligibility for Protection is linked to the core employment relations and/or health and safety services you receive from Peninsula. You are only able to select the Protection relating to the services you receive. Thus, depending on which core services you have selected you will be able to select one, or both of the benefits in Sections A and B of the Protection. If your application for Protection is successful, you will be required to pay your Contribution. Your Contribution is due and payable in accordance with the payment terms on your tax invoice. If you pay after the due date, the Board may, at its discretion reject your payment and elect not to grant Protection for the current year.

Peninsula Mutual will consider a range of factors when calculating your Contribution. These factors may include:

- a. the detailed information provided by you in your application form;
- b. your number of employees;
- c. your previous claims history. Your Contribution may be higher if you have a poor claims history;
- d. the size and nature of your organisation. Larger organisations, including turnover, may be subject to a higher Contribution;
- e. your general risk profile. Greater risks involved in your business may result in a higher Contribution;
- f. the Limits of the Protection; and
- g. any other factor regarded as relevant by Peninsula Mutual at the time of assessing your application.

Depending on the nature of these factors, these may reduce or increase your Contribution.

Costs, fees and government charges

Your Contributions may be subject to taxes and other government charges, levies or duties.

Part 1. Product Disclosure Statement

9. Estimating Future Contributions

Estimating future liabilities or future payments to Members

On the advice of its professional consultants, Peninsula Mutual will calculate the Contributions of Members to ensure that it will have adequate financial resources to discharge future liabilities and make future payments to Members with Protection, based on a mathematical model and independent actuarial advice.

The Board will consider the following:

a. income to be received by the Mutual from:

- Contributions;
- interest on investments; and
- recoveries from third parties.

b. the outgoings to be paid by the Mutual for:

- operating costs
- the number and value of claims lodged each year;
- the number and value of claims lodged for specific risks;
- the cost of its own insurance;
- the delay in lodging claims;
- the cost of an average claim; and
- payment of claims within the Mutual's self retention limit.

The mathematical model is based on Peninsula Mutual being a fully funded mutual.

Each year, the Mutual will model its future claims liabilities to Members. Contributions will be calculated on the assumption that, in any one financial year, the Mutual will not receive or pay all the claims that the Members may have the right to claim for in that financial year.

Each Contribution will include an amount that will be put aside for this purpose to meet the claims that have been delayed.

The Mutual will manage these future liabilities and payments through its risk management and transfer program and through its claim reserving policy.

Applying deficits and surpluses

Because the Mutual is an entity run on not-for-profit principles, any surplus will be applied for the benefit of the Members.

In the event of a surplus in any one year, the Board may exercise its discretion in applying that surplus for the benefit of Members. Surplus can be applied to reduce future pricing or can be placed into the Mutual's reserves, or both. The Board's discretion is subject to the requirements imposed on Directors to ensure that the company will have adequate financial resources to discharge future claims payments to Members with Protection.

10. Disputes

The Board sets guidelines to ensure it exercises its absolute discretion fairly and consistently and in the interests of all Members when considering the merits of your claim. The Board also considers the terms of this PDS and the Constitution.

If you are unhappy with a claim decision, you may contact the Mutual's Complaints Manager at peninsula.mutual@peninsula-au.com and request that that matter be referred to the Board for adjudication.

You are welcome to make a written submission to the Mutual describing the reasons why your claim for Protection should be reconsidered. You must do this within 60 days of the date that you were notified that the claim would not be paid. The Board will consider your submission when deciding the final outcome. Send your submission and request for reconsideration to the Mutual's Complaints Manager.

If you have a complaint about any of the services provided by the Mutual, its managers or their authorised representatives; or any other person engaged by them, please contact the Mutual's Complaints Manager.

In order to have the benefit of Protection You are required to seek and follow advice from Peninsula when you become aware of an Event or potential Event which may give rise to a Claim (see exclusions at Clause 6).

If the Senior Counsel is of the opinion that You have reasonable grounds for defence then their opinion is binding on both You and Us and We may accept Your Claim.

If You continue to defend a Claim where consent has been refused and the outcome of the Claim establishes that at the time at which We refused consent, You had reasonable grounds for defence, then We will pay to You or on Your behalf Reparation Costs and Defence Costs as if consent had been originally granted.

7. Making a claim

Except where stated otherwise, this clause applies to all benefits provided by the Protection under Sections A and B and referred to in this document.

Notification of Claims

(a) You must immediately notify Us:

- (i) of any Claim made against You during the Protection Period; and
- (ii) of any circumstances which You shall become aware of during the Protection Period which may give rise to a Claim under this Protection, irrespective of whether the Loss or Reparation Costs likely to be within the Limits of the Protection or not.

(b) If a Claim is made against You during the Protection Period and You notify Us of the Claim within 21 days after the expiry of the Protection Period, We may treat the Claim as notified to Us during the Protection Period.

(c) If during the Protection Period, an Incident or Event occurs which may subsequently result in a Claim against You and You give written notice of those circumstances to Us during the Protection Period, then any Claim which is later made against You, will be treated by Us as a Claim made against You and notified to Us during the Protection Period.

Assistance and co-operation

You must provide Us with all reasonable assistance We require when You deal with Us and You will:

- (a) be truthful and frank;
- (b) not behave in a way that is abusive, dangerous, hostile, improper or threatening;
- (c) co-operate fully with Us, even after We have paid a Claim.

Part 2. Protection Terms and Conditions

You must at all times promptly notify Us of any information, documents or reports in Your possession or knowledge relevant to any Claim and You shall, whenever so requested, give to, or procure for, Us free access to such information, documents or reports with the right to inspect and copy them.

Multiple Claims

If You hold the benefit in Section A (Employment Relations), all causally connected or interrelated Employment Breaches jointly constitute a single Employment Breach under this Protection and will be deemed to have occurred on the date of the earliest Employment Breach.

Where a single Employment Breach or series of causally connected or interrelated Employment Breaches give rise to more than one claim, all such claims will jointly constitute one claim which will be deemed to have been made at the time the first claim was made.

If You hold the benefit in Section B (Health and Safety At Work), where an Event is alleged to have taken place on, over or between a number of specified dates, which fall within more than one Protection Period, the Event will be treated as if it occurred in the Protection Period in which You have or should have first notified the Claim.

Apportionment of costs

- (a) Where a Claim against You contains more than one allegation or allegations against You and other parties, then where necessary We will use best efforts to agree with You upon fair and proper allocation of Defence Costs between the allegations.
- (b) If You disagree with Us over the allocation of Defence Costs, then We will advance such Defence Costs that We believe to be covered under this Protection, until a different allocation is negotiated, arbitrated or judicially determined. In this case We will, if requested by You, refer the dispute for determination of allocation to an expert mutually agreeable to all parties and such determination will apply retrospectively to all Defence Costs incurred in the defence of that Claim.

Settlement, defence and appointment of lawyers

- (a) You must seek Our express written consent to pay Defence Costs before they are incurred.
- (b) If You hold Protection under Section B (Health and Safety At Work), You must do all things reasonably practicable to avoid an Event or to minimise a Loss. You must at all times use Your best endeavours to preserve all property, products, appliances, plant and other items which may assist Us in the investigation or conduct of a claim. As far as may be reasonably practical, no alteration or repair will be effected until We have first had the opportunity of inspection. Where the offence alleged is a continuing one, You must immediately take all reasonable steps to prevent its continuation.
- (c) If You hold Protection under Section B (Health and Safety At Work), until We have made a decision to accept Your claim, unless required by law, You must not make any offer, payment, admission, settlement or effect any resolution in respect of any Claim or agree to pay any Reparation Costs or consent to any order directing You to pay any Reparation Costs without Our consent. We will not be liable for any such Reparation Costs incurred without Our consent which will not unreasonably be withheld. Even when We have agreed to pay Your claim, You must follow our instructions or those of Our appointed legal counsel in managing or dealing with the Claim.
- (d) If You hold the benefit in Section A (Employment Relations), until We have made a decision to pay Your claim, You must not admit liability, or attempt to settle or make any admission with respect to a Claim. Even when We have exercised our discretion to pay Your claim, You must follow our instructions or those of the Appointed Representative in managing or dealing with the Claim.
- (e) We shall have the right, but not the obligation, to conduct in Your name, the investigation, defence (including appeal and resisting appeal) and settlement of any Claim. Any amount We incur shall be deemed to be part of the Loss. If You refuse to consent to any settlement and elect to continue to contest the defence of a Claim, then subject to the limitation, Our liability will not exceed such recommended settlement amount, plus Defence Costs incurred with Our consent up to the date of such refusal.

Part 2. Protection Terms and Conditions

- (f) If You hold the benefit in Section B (Health and Safety At Work) and We have made a decision to pay Your claim, if We recommend to You to agree to pay any Reparation Costs, consent to any order directing You to pay any Reparation Costs or otherwise settle or resolve any claim, and You do not agree to do so, then We may reduce the amount We pay for your claim to take into account any prejudice caused because You failed to follow Our direction.
- (g) We will appoint, on Your behalf, a representative from Our panel to manage or deal with the Claim. Where there exists a conflict of interest or if there are exceptional circumstances, You may request Us to nominate an Appointed Representative to act on Your behalf. The Mutual may, in its discretion, provide consent to the appointment. However;
 - (i) unless otherwise agreed by Us, Our maximum liability for any legal and/or other fees charged by the Appointed Representative shall not exceed \$500 (ex GST) per hour or their usual charge out hourly rate, whichever is the lesser.
 - (ii) We may accept or refuse any nomination of any person or firm to act as Appointed Representative if We consider that a more experienced or competent representative is available.
- (h) Upon Our acceptance of Your Claim, We will have the right to nominate an Appointed Representative and will have the total discretion as to the conduct and control of Your defence, including strategy, in respect of any prosecution, inquiry, settlement negotiation or proceedings against You. Where You disagree with Us over Your defence, including strategy, We will provide Our reasons to You in writing and will refer You to an independent barrister for a final determination as to Our reasonableness. This independent determination will be binding on both You and Us.
- (i) We shall be entitled to take over and conduct any proceedings in connection with any Claim but will do so in full consultation with You. Legal advisers retained by Us to act on Your behalf shall at all times be at liberty to disclose to Us any information obtained in the course of so acting, and You agree to waive any claim for legal professional privilege to which it might otherwise have been entitled.
- (j) You shall not enter into any agreement to appoint the Appointed Representative without first obtaining our consent as to the terms of the appointment of the Appointed, including remuneration that all costs and associated expenses are covered by this Protection.
- (k) the Appointed Representative must comply with all requests for information or advice and must obtain instructions from the Mutual in relation to management and resolution of the Claim.
- (l) Notwithstanding the foregoing, the Mutual may at any time exercise its discretion to assume conduct of the Claim.
- (m) You shall do all things reasonably necessary to allow Us to obtain from the Appointed Representative any information, report, documents or advice relating to the claim.
- (n) You shall upon Our request or the Appointed Representative and at Your own expense:
 - (i) provide all information and assistance as may be required;
 - (ii) give a complete and truthful account of the facts relevant to any claim;
 - (iii) supply all documents and other evidence relevant to the claim; and
 - (iv) obtain and sign all documents reasonably required to be obtained and signed and attend any meeting or conferences when reasonably requested,
 - (v) ensure that an Officer attends and if necessary gives evidence, on behalf of You, at any conference, hearing, enquiry, investigation, proceeding or review in connection with any Claim made against You;
 - (vi) attend, and if necessary give evidence at any conference, hearing, enquiry, investigation, proceeding or review in connection with any Claim made against such Officer or Employee.
