Welcome to Hoxton

Where Innovation Meets Expertise

At Hoxton, we specialise in delivering expert international financial advice, covering investments, tax planning, and retirement strategies.

Our approach combines award-winning wealth technology with years of industry expertise to help you plan for your future confidently and efficiently.

We've designed a seamless and supportive process to ensure your transition to Hoxton is smooth and beneficial. Here's what you can expect:

Welcoming you to Hoxton Wealth.

1. Your First Meeting

Our initial consultation will introduce you to our ethos, methods, and vision:

Who We Are & How We Work:

We'll present our approach, tailored to your lifestyle and financial goals.

Understanding You:

We summarise your financial situation and outline our support moving forward.

Discussing Concerns

We will address any questions or concerns, including pricing and our unique approach.

2.

Follow-Up and Support

Our dedicated Customer Service team handles all necessary follow-ups:

We'll ensure your file is complete and any outstanding work is swiftly actioned.

A follow-up call a week after your first meeting allows us to address any concerns and provide updates on your financial plan.

3.

Ongoing Communication

We maintain regular and proactive contact with you:

Monthly Newsletters

Featuring insights on financial planning and investment commentary.

Check-In Calls

Our team reaches out periodically to ensure your needs are met and to keep your plan aligned with your goals.

4. Annual Review Meeting

Your financial plan evolves with you:

Our team confirms your annual review, assembling a comprehensive review pack updated to reflect any changes within the past year.

We'll discuss your progress, adjust your strategy as needed, and plan for the year ahead.

The Hoxton Advantage

Our integration process is designed to deliver a seamless experience, ensuring your wealth is managed effectively with a focus on your future goals. From day one, you'll experience the unique combination of innovation and expertise that defines Hoxton.
