HOTELS

The right hotel is a cornerstone of an unforgettable vacation. It's the details that stay with you: the pressed Egyptian cotton sheets, the expertly mixed nightcap in the lobby bar, the always-attentive concierge who somehow gets impossible-to-get reservations, the restorative hot-stone massage—en suite, for good measure. Moments like these are what inform the T+L 500—our directory of the most trusted, best-loved hotels as voted by you, our discerning readers, in the World's Best Awards survey.

"Travelers and locals of all ages flock to this Upper East Side hotel for its iconic Bemelmans piano bar, where martinis and Ludwig Bemelmans murals are what's on the menu. A glitzy younger crowd has made it one of the hottest spots in town."

"The lounges are some of the most beautiful in the city. Take in panoramic views of the skyline at the rooftop bar, Fiat Lux, or sip champagne in the pink-hued parlor, Camellias."
