

SCATTER PLATTER

schiaavello

Scatter Platter is a relaxed accessory that appeals to any modern environment, including waiting rooms, breakout spaces, or the home lounge. Made of a luxurious feather and down cushion insert, the pillow provides maximum comfort in three shapes: lumbar, circle and square.

Inspired by the overlap between the home and office interiors, and the increase in breakout and lounge spaces within the workplace, Schiavello Design Studio developed Scatter Platter, a tailored and comfortable collection of cushions.

A piped flat edge or boxed edged detail, combined with an invisible zipper, makes for a clean, minimal aesthetic. Available in a choice of fabric or leather cushion covers from the Schiavello ColourLab palette.
