

# Certification

Our impact is important to us, and we're proud to have a range of independent accreditation to ensure we're doing everything we can to be mindful of our footprint.

## Good Environmental Choice Australia (GECA)

GECA is a purpose-driven not for profit that provides solutions for sustainable consumption and production. With a vision to create a sustainable future for people, the planet and all living things, GECA certification spans the full scope of a product's impact considering environmental, human health, waste and supply chain repercussions and ensures a product isn't harmful.
