IVAN WOODS

Schiavello and Ivan Woods have a long history.

Our collaborative design process, which has evolved over many years, has yielded distinctive collections such as the Kayt and Toro collections.

Ivan enriches his designs' emotional qualities through fine detailing, influenced by a strong architectural sensibility and carefully considered geometry. The unique combination of individual and robust personalities in his products results in a unique outcome that has lent his products to a diverse range of scenarios.

Ivan grew up in Australia and studied interior architecture in Perth. Having designed interiors and products for over 30 years, he has created work for the Langham and Marriot hotels as well as international projects spanning the UK, US, Germany and Italy.

Resembling a Native American icon, the TP coat stand is a visual statement of simplicity and function

Standing sculptured in Oak, TP demands attention while complementing its surroundings. Its timeless, elegant lines sit well in a range of settings, both residential and commercial.

Available in a range of standard options, it features one or two utility trays for large and small items, and optional intermediate hooks.

ColourLab

Curated by Giulio Ridolfo and developed by Schiavello, Colourlab brings a considered and cohesive palette of finishes suited to the needs of working and living environments. The palette beautifully balances colour, texture and layering across a variety of materials.

ColourLab materials and finishes

- 1. Laminate
- 2. Timber Natural
- 3. Timber Paint
- 4. Timber Wash
- 5. Leather
- 6. Fabric
- 7. Metal Powder Coat

Specifications

Ecology and sustainability

Schiavello's most important commitment to sustainability is the company-wide Environmental Management System under ISO 14001. The environmental design principles realised means we design for the environment, focusing on efficient energy use and minimum emissions, longevity and durability, re-use and recycling of our products.

Our principles of ME WE (Materials, Energy, Waste Emissions) give us a simple way to think about how our operations impact the environment.

Printed on an Australian made paper stock that is PEFC Certified and made from elemental chlorine-free bleached pulp sourced from sustainably managed forests and non-controversial sources. It is manufactured by an ISO 14001 certified mill using renewable energy sources.

About Schiavello

Schiavello is a multi-disciplinary company dedicated to developing intelligent, inspiring, ecological and resilient solutions for the office, the home and public spaces.

Schiavello's concepts and products are developed in Australia by applying a design process that brings together the company's core design principles and engineering with the creativity of local and international designers.

The Schiavello head office and world-class manufacturing facilities are integral to our continually developing rich tapestry of knowledge. This knowledge ultimately assists us in informing the right solutions and tools for each organisation's needs and people, allowing us to consistently achieve our philosophy that 'Anything is possible'.
