

EAST HEMEL COMMUNITY ENGAGEMENT EVENTS

For the past year The Crown Estate design team has been working with local residents, community groups, organisations and statutory agencies to develop plans for the East Hemel area.

We would like to invite you to the next stage of engagement, to discuss the evolution of the plan. This is an opportunity to review the latest iteration and share your feedback before an outline planning application is submitted in Autumn.

In addition to the drop-in exhibitions, there are a series of technical briefing sessions to explore specific themes, which will be held in-person and online.

See overleaf for more detailed information about upcoming events.
