allergies + intolerances if you have a food allergy or intolerance, or need help accessing our allergen information, please let your server know before you order, every time you visit. the manager on duty will personally take and serve your order, whilst the kitchen manager will personally prepare your food as you require. this may mean that your meal may take a little longer than normal to prepare

the detailed list of allergens contained in the dishes served is available for consultation upon request, in compliance with regulation (eu) no. 1169/2011. we take every care to prevent cross-contamination, but we cannot guarantee the complete absence of allergens, as food and drinks are prepared in busy kitchens where these ingredients are present

our vegetarian and vegan dishes are prepared with great care, but minimal cross-contamination with animal-derived products may occur
