ABOUT THE DR:

Dr. Chopra is a board-certified plastic surgeon who trained at the prestigious Johns Hopkins Hospital, a U.S. News & World Report #1 ranked hospital for 21 consecutive years. Specializing in concierge-level care at his boutique Miami practice, he offers masterful facial rejuvenation and beautification. Popular procedures include deep plane facelifts, neck lifts, upper lip lifts, and eyelid surgery, all provided under comfortable local anesthesia with a la carte IV sedation. Patients from around the world travel to Miami for Dr. Chopra's exceptional expertise.

REALSELF CLIENT REVIEW:

"I can't thank Dr. Chopra enough I feel fresh and confident again! After nearly a year of searching, I knew I found the best with Dr. Chopra. My deep plane neck and facelift results are amazing. He is skilled, kind, and personable. It was a privilege to be his patient!"
