The Host shall acknowledge receipt of this electronic contractual offer electronically and without delay via an automated email confirmation. This initial acknowledgement does not constitute formal acceptance of the offer. The contract shall be deemed legally concluded and binding only when the Host issues a formal confirmation of registration and payment receipt via email to the designated primary contact of the Financing Organisation or to the Participant, if applicable.

3. Registration and Deadlines

3.1. Registration Guidelines

- 3.1.1 Registration shall primarily be completed online via the Official Registration Portal accessible through the official Event website. The registration application will only be processed, if all mandatory fields are fully and accurately completed.
- 3.1.2 Preliminary online registration is scheduled to close on 23 May 2027. The Host reserves the right to close registration earlier due to capacity limitations or other operational considerations.

- 3.1.3 After this date, registration may only be requested on-site at the Venue, subject to availability and may be refused at the Host's discretion.
- 3.1.4 Any changes or corrections to a Participant's registration details (such as profile corrections) are permitted free of charge until 30 April 2027. Changes or corrections to registration details do not constitute a substitution of the Participant. Any substitution of a Participant shall be governed exclusively by Section 8.
- 3.1.5 The Host and IGU reserve the right to amend these Terms and Conditions to ensure compliance with changing local regulations or security requirements or where reasonably justified by operational, organisational or business considerations relating to the Event. Any amendments shall not materially alter the essential nature of the services already contracted for and will be published on the official website and shall become effective upon publication, subject to the Consumer rights set out below. If the Participant qualifies as a Consumer, the Host will inform the Participant about any such amendment via the contact email address given in the Registration Form. In such case, the Participant shall have the right to terminate the Agreement.
- 3.1.6 The specific services, access rights, and inclusions attached to each Registration Category shall depend entirely on the option selected during the registration process. The detailed list of available Registration Categories and their respective technical or hospitality content are exclusively published and continuously updated on the Official Registration Portal.
- 3.1.7 The Event is explicitly organized and executed as a live, in-person event only. Remote participation, digital streaming of individual technical sessions for single Participants, or remote/digital presentations by authors are strictly unavailable. The unavailability of remote or digital alternatives shall not entitle any Participant or the Financing Organisation to any refund, compensation, or alteration of the applicable cancellation policies.

3.2. Confirmation

- 3.2.1 Upon successful completion of the registration process and receipt of any applicable registration fees in full and in clear funds, or confirmation of approved complimentary registration, the Host will send an official registration confirmation letter to the Participant's email address provided for contact purposes during registration, and the applicable invoice to the invoice recipient email address provided during registration.
- 3.2.2 All Participants are required to present this official registration confirmation (either in printed form or digitally on a mobile device) at the on-site registration desk at the Venue to receive their official Participant badge. In accordance with safety and security regulations, all Participant badges must be collected strictly in person by the designated Participant; third-party collection or proxy pickup of badges is strictly prohibited. Visual identity verification shall be conducted by the registration staff through the physical presentation of a government-issued photo identification document in accordance with Section 11.

3.3. Payment and Currency Regulations

- 3.3.1 All payments for the online registration must be made in full and in clear funds to the Host no later than 23 May 2027. If the payment is not received by this deadline, the registration may be cancelled by the Host or the Participant. Upon

payment of the Registration Fee, an advance payment invoice will be issued, followed by a final invoice after the conference Event. The issuing and sending of the invoice are linked to the completion of payment and confirmation of registration. The invoice is issued and sent by the Host based on the billing details provided during the registration. The registration interface clearly indicates where the submission of the Registration Form creates an obligation to pay.

- 3.3.2 **Currency and VAT:** All Registration Fees and Charges and administrative fees are officially set in Euro (EUR) and are stated net of Value Added Tax (VAT). The statutory Hungarian VAT valid at the time of performance shall be added to the net fees and shall be borne entirely by the payer.
- 3.3.3 **Methods of Payment:** Individual transactions must be paid in advance using a secure and internationally approved credit card (online payment gateway). Group registrations (5 or more Participants) may be paid via bank transfer based on the payment details stated and sent by the Host. The advance payment invoice will be issued upon fulfillment of the payment/verification conditions. All payments must be free of any bank charges or withholding taxes; all bank transfer charges must be borne entirely by the payer.
- 3.3.4 **Overpayments and Refunds:** In the case of accidental overpayment or double payment, a written refund request must be sent via email to igrc2027@mvm.hu without undue delay after the overpayment or double payment has been identified. Approved refunds will be processed minus any applicable bank transaction fees to the banking details given at the original Registration Form.
- 3.3.5 **Promotional Codes:** Promotional or discount codes may only be used in accordance with the eligibility criteria and instructions provided when they are issued, including any validity period and usage limits. Codes issued to a named individual are personal and non-transferable. Other codes may be shared with eligible Participants only as permitted by the Host. Codes cannot be applied retroactively to existing bookings.

3.4. Eligibility Verification

- 3.4.1 The Host reserves the absolute right to verify a Participant's eligibility for any discounted, complimentary, or restricted Registration Categories, including but not limited to official IGU Member registrations, Partner/Academia registrations, and unique invitation-based categories.
- 3.4.2 Participants shall promptly provide any official verification materials, corporate credentials, or supporting documentation reasonably requested by the Host or authorized Venue staff for eligibility validation purposes.
- 3.4.3 If a Participant's eligibility for a specific discounted Registration Category cannot be verified to the satisfaction of the Host, or subsequently ceases to exist, the Host reserves the right to immediately reclassify the registration to the applicable standard fee category and issue a comprehensive invoice for the corresponding fee difference. The Participant shall fully settle such price difference prior to receiving their official Participant badge at the Venue.

3.5. General Compliance Verification

- 3.5.1 In addition to verifying eligibility for discounted, complimentary or restricted Registration Categories, the Host shall conduct a general compliance review where the registration information provided by a Participant indicates a connection to Iran or Russia, including, where applicable, nationality, country of

residence, country of departure, billing address or the registered office of the Participant's employer or represented organisation.

- 3.5.2 In such cases, the registration shall be automatically referred for manual compliance review. Such referral shall not in itself result in the automatic rejection of the registration.
- 3.5.3 Any decision to approve, suspend or reject the registration shall be based on documented sanctions screening and, where appropriate, a business partner compliance review. During this process, the registration shall remain pending, and no payment link or final registration confirmation shall be issued until the review has been completed and the registration has been approved by the Host.

4. Participant Costs and Expenses

- 4.1. The Participant and their Financing Organisation, if applicable shall be solely responsible for arranging and paying all their own costs, fees, and expenses incurred in connection with attending the Event. This includes, but is not limited to, flights and transport, hotel accommodation, visa application fees, and any meals or beverages not explicitly included in the official Conference programme. Any hotel reservations or accommodation arrangements executed through links, room blocks, or recommendations provided on the Official Registration Portal shall constitute a separate, direct contractual relationship between the Participant (or their Financing Organisation) and the respective third-party accommodation provider.
- 4.2. The Host and IGU shall not accept any invoices, liability, or charges for any personal or business expenses incurred by a Participant or Financing Organisation, regardless of whether the Event is altered, postponed, or cancelled except to the extent mandatory applicable consumer protection laws where the Participant qualifies as a Consumer. The Host explicitly excludes all liability for the performance, availability, modification, or cancellation of any such third-party accommodation or transport services.

5. Invoicing and Receipts

- 5.1. By submitting the Registration Form, the Participant and/or the Financing Organisation explicitly consents to the use of electronic invoicing. Upon successful completion of the online payment or confirmation of the bank transfer, a valid electronic invoice (e-invoice) will be generated by the Host's system in full compliance with the Hungarian VAT Act (Act CXXVII of 2007 on Value Added Tax).
- 5.2. The invoice will be sent digitally to the e-mail address provided in the billing section of the Registration Form.
- 5.3. It is the sole responsibility of the entity or person executing the registration to provide accurate and legally valid billing details (including the official company name, registered seat, and valid tax/EU VAT number) during the registration process. The Financing Organisation explicitly acknowledges and accepts that if an invoice needs to be amended, cancelled, or re-issued due to incorrect, incomplete, or faulty data provided during the registration process (or only in case of request, due to the change of participant as per Section 8), the Host reserves the right to charge and invoice a flat administrative fee of 15 EUR per invoice modification. This fee constitutes a standard administrative cost under the Hungarian Civil Code (Act V of 2013) to cover additional manual accounting, system synchronization, and statutory reporting tasks resulting from such non-compliance.

6. Payment Method and Security

- 6.1. All online card payments will be processed via a secured online Payment Gateway System compliant with the Payment Card Industry Data Security Standard (PCI-DSS) integrated into the Official Registration Portal. The Host and IGU do not collect, view, or store any credit or debit card numbers or sensitive financial data. By initiating a transaction, the entity or person executing the online transaction explicitly consents to the transfer of their necessary personal and billing data to the licensed payment service provider for the sole purpose of secure transaction processing and fraud prevention, in accordance with applicable regulations, and the GDPR. Online payment services are provided by Stripe in accordance with the Stripe Data Privacy Framework Policy (available at: stripe.com). A transaction shall be considered successful only once the Host has received confirmation from the payment service provider and the payment can be matched to the relevant registration in the Host's records. Failed, reversed, cancelled or duplicated card transactions shall not in themselves result in a confirmed registration. Any overpayment or duplicated payment shall be handled in accordance with the refund provisions of these Terms and Conditions, subject to reconciliation between the payment service provider reports, the registration system and the Host's accounting records.
- 6.2. For corporate Group registrations (5 or more Participants), payment may also be executed via bank transfer based on the details (beneficiary banking data, currency, reference and deadline) given in the confirmation email that is sent to the Participant. All payments must be free of any bank charges or withholding taxes; any bank transfer fees must be borne entirely by the payer.

7. Withdrawal or Cancellation by Participant and Visa Regulations

- 7.1. Should a Participant wish to withdraw their registration or cancel their attendance due to personal or business reasons, a formal notice must be submitted in writing via email to igrc2027@mvm.hu. The cancellation shall only be deemed legally effective on the date the Host receives and confirms the written notification.
- 7.2. In accordance with the Hungarian Civil Code (Ptk.), since the Host enters into financial commitments with the Venue and suppliers based on registration volumes, cancellations are subject to the following tiered refund policy:
 - 7.2.1 Cancellations confirmed on or before 31 January 2027: Full refund of the paid Registration Fees and Charges, less a flat administrative contract fee of 100 EUR per Participant, which constitutes a genuine pre-estimate of the administrative loss and transaction costs incurred by the Host.
 - 7.2.2 Cancellations confirmed between 1 February 2027 and 18 March 2027 (inclusive): A 50% refund of the paid Registration Fees and Charges will be granted. The remaining 50% shall be retained by the Host.
 - 7.2.3 Cancellations confirmed on or after 19 March 2027: No refund shall be made, and the Participant (or their Financing Organisation) shall remain liable for 100% of the Registration Fees and Charges. No-shows at the Event will not be eligible for any refund or credit.
- 7.3. **Visa and Entry Regulations:** It is the sole responsibility of the Participant to be fully informed about the latest passport, visa, and health regulations regarding entry to Hungary and the Schengen Area. Participants may obtain information on the conditions of entry into the Schengen Area via <https://konzinfo.mfa.gov.hu/en/short-term-stay> link. The Host and IGU cannot be held liable, and no refunds will be issued under Section 7.2, if a Participant is refused entry to Hungary or the Schengen Area, or is unable to travel due to their failure to adhere to the statutory entry regulations or due to delays in

the visa issuance process. Participants are entirely responsible for handling their own visa applications and checking individual consular processing times.

- 7.3.1 Visa Invitation Letters:** The Host will provide a formal Visa Invitation Letter solely to registered Participants whose registration has been confirmed and whose applicable Registration Fees and Charges have been paid in full and in clear funds. No payment is required for Participants with approved complimentary registration. In the case of Participants from or otherwise associated with Russia or Iran, a Visa Invitation Letter may only be issued following the successful completion and approval of the Host's applicable compliance screening. No Visa Invitation Letter will be generated or issued where the registration, payment or required compliance screening is pending, incomplete or has been rejected. Requests for Visa Invitation Letters must be submitted through the Official Registration Portal.
- 7.3.2 Limitation of Liability for Visa Issuance:** The issuance of a Visa Invitation Letter by the Host does not guarantee that a visa will be granted. The Host has no influence or control over the visa application process, appointment availability, or the final decisions made by the competent immigration and consular authorities. Consequently, the Host shall not be held liable for any financial losses, travel cancellation fees, or accommodation costs if a Participant's visa application is delayed or rejected by the authorities.
- 7.4.** Approved refunds, if any, will be processed and reimbursed to the original payment method where technically feasible, or the designated bank account within thirty (30) - in case of consumer no later than 14 days from the date on which the Host becomes aware of the withdrawal - calendar days after the written cancellation has been formally approved by the Host. Any additional bank transfer or currency conversion fees incurred during the refund process shall be borne by the Participant or the Financing Organisation.
- 7.5.** Where a Participant qualifies as a Consumer under applicable law, any mandatory consumer protection provisions shall apply and prevail over any conflicting provisions of these Terms and Conditions.

8. Substitution and Transfer of Registration

- 8.1.** If a registered Participant ("Original Participant") is unable to attend the Event, the registration may be transferred to another individual from the same organisation ("Alternate Participant") subject to the prior written approval of the Host. All requests for substitution must be submitted in writing via email to igrc2027@mvm.hu on or before 30 April 2027. Such substitute presenter or attendee must be appropriately qualified and familiar with the topic of the presentation, where applicable.
- 8.2.** The written request for substitution must include: (i) the full name and registration number of the Original Participant, (ii) formal written evidence of the Original Participant's (or their Financing organisation's) consent to the transfer, and (iii) the full name and contact details of the Alternate Participant. The Alternate Participant shall be treated as a new applicant and must successfully pass the Host's applicable compliance screening. The substitution shall become legally effective and finalized only upon the explicit written approval of the compliance screening by the Host. Until such approval is granted, no payment links, registration confirmations, or Visa Invitation Letters shall be generated, issued, or sent to the Alternate Participant.

- 8.3. The Alternate Participant must fully complete the online registration profile and formally accept these Terms and Conditions before the transfer can be finalized through the Official Registration Portal.
- 8.4. Any price differences resulting from the substitution must be settled before the transfer is finalized. If the Alternate Participant qualifies for a higher fee, the outstanding balance must be paid in full. If the Alternate Participant qualifies for a lower fee, the Host shall refund the difference, minus any applicable bank transaction and administrative fees, to the original payment method.
- 8.5. No requests for substitution or transfer will be accepted after 30 April 2027. The Host and the Venue security personnel reserve the absolute right to refuse entry to any individual on-site whose identity does not match the name printed on the official Participant badge and if it cannot be established by any other means that the person present is entitled to entry. As badges must be collected strictly in person under the official security regulations, once a badge has been issued on-site or marked as attended, no further transfers are permitted under any circumstances.

9. Conference Postponement or Cancellation by Host

- 9.1. The Host and IGU reserve the right to postpone or alter the format of the Event. If the Event is postponed, or its format is modified (including a transition from an in-person event to a fully virtual or hybrid format) due to circumstances beyond the reasonable control of the Host or IGU (Force Majeure - Vis Maior) – including but not limited to natural disasters, fires, strikes, riots, martial law, acts of war, terrorism, pandemics, epidemics, government actions, cyber warfare, large-scale cyber-attacks, critical IT system or registration network failures, national grid energy supply blackouts and statutory changes in laws and regulations – the Host is entitled to retain all Registration Fees and Charges paid by the Participant or the Financing Organisation for the rescheduled or modified event. These Terms and Conditions shall remain in full force and effect for the postponed or modified Event.
- 9.2. Subject to the refund of the Registration Fees and Charges as set forth in Section 10.3, the Host and IGU cannot be held liable under any circumstances for any direct or indirect damages, costs, secondary claims, or losses incurred by the Participant or their Financing Organisation, expressly including but not limited to travel costs, flights, visa fees, and hotel accommodation costs.
- 9.3. In the event of a postponement, format modification, or cancellation, the Host will use reasonable endeavours to alert Participants via the email address provided in the Registration Form. Official details of any such changes will be published on the official Event website. Participants are solely responsible for checking this information prior to the Event.
- 9.4. The Host reserves the right to modify any and all technical, scientific, or logistical aspects of the Event, including changing the scheduling, specific topics of the Conference, venue rooms, social programme and the speaker line-up. The selection of abstract submissions or the acceptance of technical papers does not guarantee the scheduling of any presentation, and the Host and IGU retains the exclusive right to alter or withdraw any session. Such modifications or withdrawals shall not entitle the Participant or Financing Organisation to any refund of the Registration Fees and Charges, nor shall the Host or IGU be liable to pay for any additional costs incurred by the Participant.
- 9.5. Where a Participant qualifies as a Consumer under applicable law, any mandatory consumer protection provisions shall apply and prevail over any conflicting provisions of these Terms and Conditions.

10. Insurance

- 10.1. The Registration Fees and Charges do not include insurance of any kind. It is strongly recommended to arrange for comprehensive travel, medical, and cancellation insurance prior to their journey. The insurance policy should ideally cover the loss of Registration Fees and Charges resulting from the postponement, modification, or cancellation of the Event, as well as costs related to international or domestic travel disruptions, transportation delays, medical emergencies, loss of or damage to personal property, and any additional repatriation expenses.
- 10.2. Neither the Host, the IGU nor the Venue shall assume any responsibility or liability for any losses, damages, or expenses incurred due to a Participant's or Financing Organisation's failure to secure adequate insurance coverage.
- 10.3. If the Event is cancelled and is not rescheduled (except in cases of force majeure), the Participant shall be entitled to a refund of the participation fee paid, less any reasonable costs verifiably incurred by the Host in connection with the processing of registrations, the handling of payments and the preparation of the Event, unless otherwise provided for by the applicable legislation. The Host's liability is limited to the refund provided for in this clause. The Host shall not be liable for any indirect or consequential losses suffered by the Participant, including, in particular, travel expenses, accommodation costs, visa, loss of profit or other related costs.

11. Compliance, Security and Data Protection

- 11.1. Attendance at the Event is granted solely at the discretion of the Host and IGU. All registrations are subject to a mandatory preliminary administrative and compliance review by the Host. During this review process, the registration will remain pending, and no payment links or final registration confirmations shall be generated, issued, or sent to the applicant. Participants must strictly comply with all applicable national and European Union laws, the official safety regulations and house rule of the Venue, and the MVM Group Compliance, [Anti-Corruption](#), and [Ethics Policies](#) throughout the duration of the Event. The relevant international business partner compliance guidelines of the MVM Group are publicly accessible on the official corporate [website](#). The Participant and the Financing Organisation explicitly represent and warrant that they are not subject to any applicable EU, UN, or national international sanctions, trade embargoes, or export control restrictions.
- 11.2. As a strict condition of entry, all Participants must present a valid, official government-issued photo identification document (such as a valid passport or national identity card) matching the name on their Registration Form profile at the on-site registration desk. No copies or digital records of such identification documents shall be retained by the Host. The Host does not collect individual identification photographs for badge printing or biometric access control purposes. In accordance with the official security regulations, all Participant badges must be collected strictly in person, and visual identity verification shall be conducted by the registration staff. Third-party collection, proxy pickup of badges or subsequent transfer of issued badges is strictly prohibited. Failure to produce valid photo identification will result in the denial of access to the Event and the Venue. In such circumstances, the Host shall bear no liability, and no refunds of Registration Fees and Charges shall be issued to the Participant or the Financing Organisation.
- 11.3. For the safety and security of all Participants, the Host and its authorized security personnel reserve the right to inspect and search bags, briefcases, and personal

belongings at the entrance or within the Venue. Security screenings may include metal detection, scanning, or X-ray equipment. Entry will be denied to any person carrying Prohibited Items or any hazardous, controlled, or illegal substances.

- 11.4. Participants must strictly adhere to all health, safety, fire prevention, and emergency instructions issued by the Venue management, the Host, or competent public authorities. Any conduct that causes alarm, distress, or physical risk to other Participants, or disrupts the professional integrity of the Conference, is strictly prohibited.
- 11.5. The Host reserves the absolute right to refuse entry to, or immediately expel from the Venue, any individual who violates these Terms and Conditions, carries a Prohibited Item, engages in any form of harassment, discrimination, or bullying, behaves in an unruly, disorderly, or disruptive manner, or whose presence is deemed inappropriate or detrimental to the safety and well-being of others. Expelled individuals shall forfeit their right to attend the Event, and the Host shall have no obligation to refund any Registration Fees and Charges to the expelled individual or their Financing Organisation.
- 11.6. **Image and Recording Consent (GDPR Compliance):** Participants acknowledge that the Host, IGU and authorized media partners will capture photographs, video, and audio recordings during the Event for documentation, institutional/post-event communication, and marketing, promotional purposes, public relations including publication through their digital communication channels and Participants acknowledge (by clicking the check box) to the related data process based on and as outlined in details by the “International Gas Research Conference 2027 Privacy Policy” (hereinafter referred to “Privacy Policy”).
- 11.7. The Host and IGU guarantee that no photographs or recordings containing a Participant's likeness will be used in any manner that is offensive, defamatory, misleading, or commercialized outside the scope of the Event's professional context.
- 11.8. **Data Protection Dashboard and Objections:** Detailed information regarding the processing of Participants' personal data, including their rights under the GDPR and the specific data security measures implemented by the Host, so the Privacy Policy is available in the official website of the IGRC2027 and accessible via the Official Registration Portal. In compliance with the GDPR, Participants retain the absolute right to object to the processing of their image or voice on or in photographs, video and audio recording. Any requests or complaints regarding the removal of published photographs must be sent in writing to the Data Controller as defined by the Privacy Policy. By submitting the Registration Form, the Participant and/or the Registering Entity confirms that they have read and understood the Privacy Policy.

12. Intellectual Property and Confidentiality

- 12.1. **Intellectual Property Rights:** For the purpose of these Terms and Conditions, Intellectual Property Rights mean and include all patents, trademarks, service marks, trade names, copyrights, database rights, design rights, and any other intellectual or industrial property rights, whether registered or unregistered, anywhere in the world.
- 12.2. All intellectual property, trademarks, logos, and official materials displayed or provided by the Host and IGU during the Event shall remain the exclusive property of their respective owners. Attendance at the Event does not grant the Participant any license, title, or right to use the names, trademarks, or logos of the IGU, MVM Group, or MVM ONEnergy Zrt. for any commercial, reference, or promotional purposes without prior explicit written consent.
- 12.3. **Confidentiality and Intra-Group Sharing:** In accordance with the internal governance policies of the MVM Group, the Participant acknowledges and agrees that the disclosure

of any transaction, billing, or corporate data related to this contract between MVM ONEnergy Zrt. and its sole shareholder MVM Energetika Zrt. (registered seat: 1031 Budapest, Szentendrei út 207-209., Hungary), or any of its majority-owned group affiliates (including MVM Services Zrt.), shall not constitute a breach of confidentiality or business secrecy under Act LIV of 2018 on the Protection of Business Secrets. The Host is fully entitled to utilize and share such operational and financial data within the MVM Group for standard administrative, reporting, and audit purposes without further consent.

13. Audio-Visual Equipment and Digital Devices

- 13.1. If the complaint is rejected, the Host shall, in its reply, inform the Consumer of the further remedies available. The Consumer is entitled to lodge a complaint with the consumer protection authority with jurisdiction over their place of residence or place of stay. In Hungary, consumer protection duties are carried out by the government offices in the capital and the counties.

Consumers may seek the assistance of the competent Hungarian Conciliation Board (Békéltető Testület) <https://bekeltet.bkik.hu/en> or <https://bekeltetes.hu/udvozlo> or any other authority, court or alternative dispute resolution body available under applicable law.
