

12" Labels

12-L001-A3

SIDE A

SIDE B

PMS Colors:

Outer dotted line is bleed – extend all background art to this line.
Middle solid line is cut line – this is where the art will be cut.
Inner dotted line is safety margin – keep all important elements within this line.
Keep “Template” layer locked and separate from art. Work only on “Art” layer or any additional layers you create.

As part of the manufacturing process, center labels are baked in an oven which may shift colors in your artwork.
