# 12" Standard Jacket

12-J100-A7

BACK

SPINE

FRONT

Outer dotted line is bleed – extend all background art to this line.
Middle solid line is cut line – this is where the art will be cut.
Inner dotted line is safety margin – keep all important elements within this line.
Keep "Template" layer locked and separate from art. Work only on "Art" layer or
any additional layers you create.
