# Welcome

## Your playground

### Easy access to the TER

#### MONT-BLANC EXPRESS train

with your valid MONT BLANC Unlimited pass:

Present yourself at the station or to the train conductor with the MONT BLANC Unlimited and the confirmation of purchase before boarding the train, in order to obtain a ticket only to or from Saint Gervais les Bains le Fayet (the MONT BLANC Unlimited is not an SNCF transport ticket). For guests holding a guest card, please also present your guest card.

### Eco-gesture for environmental protection!

Use public transport in the Chamonix Valley. Your skipass (MONT BLANC Unlimited / CHAMONIX Le Pass / Les Houches / pass 100% piétons) gives you free access to the Chamonix Valley ski bus during the day on presentation of your order confirmation and your valid skipass.

## Not to be missed

### The Montenvers train

Access to the Montenvers site for an unforgettable 20-minute journey.

### The new Mer de Glace gondola lift

The start of the journey to one of Europe's most famous glaciers.

### Grotte de Glace

Enter the depths of the glacier, accessible by gondola and staircase (approx. 170 steps).

### Glaciorium

In an ultra-modern scenography, the glacier tells its story.

### Montenvers Refuge

Mountain cuisine, an authentic refuge. Reservations recommended on 04 50 53 87 70. More information on our website.

Glaciologists present on site, please consult our website.

### Temple of Nature

Near the Refuge du Montenvers, discover the 1<sup>st</sup> alpine refuge built in 1798, through an optical theater.

### Store

In the arrival station, an area brimming with gift ideas and souvenirs.

### Snowshoe trails

3 snowshoe trails (openings according to weather conditions). Free access, equipment loan subject to availability.

### Bar des Glaciers

Treat yourself to a sweet or savoury takeaway!

### Restaurant le Panoramic

Come and discover our new restaurant and try quality cuisine.

**Work in progress on the site, restricted areas. Information on our website.**

## Useful advice

Bring warm clothing, good shoes and sunglasses. The descent to the Grotte de Glace is partly done by gondola and partly done by a staircase with around 170 steps. Be sure to take this into account.
