

Next steps

The Crown Estate and Bloor Homes have now submitted amendments to the existing outline planning applications for East of Luton. North Hertfordshire District Council will shortly be carrying out the statutory consultation on these plans.

If you wish to provide feedback as part of this process, you will be able to do so during the Council's consultation. The relevant application numbers are: 16/02014/1 (The Crown Estate) and 17/00830/1 (Bloor Homes), for the two existing outline planning applications, and 22/02904/FP (Luton Road) and 22/02905/FP (Darley Road) for the two access junctions to the south of the site.

If the amended planning applications are granted approval, then detailed applications will be developed. At that stage, further consultation will take place to inform that process.
