Questions and Answers:

Below, we've included answers to some of the key questions you might have about this product:

What is a Cash ISA - Fixed Rate?

An Individual Savings Account (ISA) is a savings account for UK residents where you can save up to £20,000 per tax year without paying tax on the interest earned. In a Cash ISA - Fixed Rate, your funds receive a fixed rate of interest for the term of the account. At the end of the term (on 'maturity'), the interest earned is paid, and the funds can be accessed without penalty.

How much can I save?

Each tax year, you can pay in up to your total ISA allowance (currently set at £20,000 for the 2025/2026 tax year). This means you can invest up to £20,000 into a Cash ISA - Fixed Rate in the 2025/2026 tax year (from April 6th to April 5th) and then invest up to the ISA allowance again in the next tax year.

Who can open a Cash ISA - Fixed Rate?

To open a Cash ISA - Fixed Rate, you must be aged 18 or older and either a resident of the UK or, if you don't live in the UK, a member of the armed forces or a Crown servant (for example, diplomatic or overseas Civil Service) or their spouse or civil partner. You'll also need a national insurance number and email address. ISAs must be opened only in one person's name, as joint ISAs are not allowed.

How do I open a Cash ISA - Fixed Rate with Tembo?

You can open an account through the Tembo App, which is available on the App/Play Store. After downloading the app, select 'Sign up' to create an account. If you meet the eligibility criteria, your account will be set up, and you'll be able to add money to it. Your Cash ISA - Fixed Rate will only be open once you first deposit funds into it.

How can I make contributions to my Cash ISA - Fixed Rate?

You can make one-off contributions. The minimum contribution by instant bank payment (one-off contribution) is £500. Contributions must come from a UK current account in your name as the sole account holder.

How often is interest paid, and can the rate change?

The interest rate is fixed during the term, meaning it won't change between the date you open your account and the maturity date. Interest is applied to your account on maturity at the end of your fixed term.

Withdrawing money from my Cash ISA - Fixed Rate

This product is designed to be held for the full fixed term. Early withdrawals are permitted but will incur a charge of 90 days' interest on the balance withdrawn. This means that you may get back less

money than you deposited. Should you require access to funds within the fixed term, there may be alternative products more suited to your needs.

Withdrawals are initiated through the Tembo App and can take up to 5 business days to be processed. When initiating a withdrawal, you must select which deposits to withdraw from and must withdraw the full balance of each selected deposit, as partial withdrawals from a deposit are not possible.

By taking money out of your ISA, you will lose the tax-free status on any money withdrawn or transferred to an account that is not an ISA, which means you might need to pay tax on any future interest you earn on that amount.

What happens at the end of the fixed term?

At the end of the fixed term (at the maturity date), your account will automatically transfer into a Tembo Cash ISA Hub Account unless you tell us otherwise when we contact you before maturity. You can find out more about the maturity process in Section 5 of the Customer Agreement.

Once your funds are transferred to the hub account, you will be able to withdraw and transfer the funds without penalty, or reinvest these into another Cash ISA - Fixed Term account.

What are the charges for this account?

There are no fees or charges for the Cash ISA - Fixed Rate account, except those that may apply should you withdraw funds before the maturity of the term.

Can I cancel my Cash ISA - Fixed Rate?

If you are unhappy with your choice of account within 14 days of making your first deposit, you can cancel your account via the app or by emailing us at savings@tembomoney.com. By cancelling your account within this 14-day cancellation period, any money you put into your account will not count towards your annual subscription limit. Upon closing your account, we will return your money to you, but not any interest it might have earned before you decided to cancel.

Can I close my Cash ISA - Fixed Rate?

You can close this account at any time, but subject to any early exit withdrawal penalty, by contacting us via our App or emailing us at savings@tembomoney.com. If the account holder has passed away, please let us know by contacting us via the App or by email.

Please also note that by withdrawing all funds from your Tembo Cash ISA - Fixed Rate, the account will be closed, and you will not be able to reopen it.

Where is my money held?

Money paid into the Cash ISA - Fixed Rate is placed in fixed-term deposit accounts with Investec (the deposit taker), who register those accounts in our name, meaning we legally hold that money "on trust" for you and other Tembo customers as the trustee and with you as the beneficial owner.

All customers' deposits sit together in this pooled trust account, ring-fenced from our own money. If Investec were ever to fail, each customer's share is covered by the Financial Services Compensation Scheme up to £85,000 per person, per banking group.

Can I transfer my existing ISA to a Tembo Cash ISA - Fixed Rate?

Yes, you can transfer money from an existing Cash or Stocks and Shares ISA you hold with another provider to a Tembo Cash ISA - Fixed Rate. To request a transfer, simply request a transfer via the Tembo app. Your transfer will then be processed within 15 working days, and once completed, your money will show in your Tembo account.

At this time, we do not support transferring an existing Tembo Cash ISA - Easy Access to a Tembo Cash ISA - Fixed Rate.

Can I transfer my Tembo Cash ISA - Fixed Rate to another provider?

You can transfer out of your Cash ISA - Fixed Rate to another provider at any time. However, doing so before the end of the fixed term will be treated as an early withdrawal and will be subject to a 90-day interest penalty on the amount transferred.

To transfer your Cash ISA - Fixed Rate to another provider, please contact them to arrange this. Your new provider will then contact us to arrange the transfer. Under the ISA Regulations, completing your request to transfer your Cash ISA - Fixed Rate can take up to 15 working days.

Can I transfer my Tembo Cash ISA - Fixed Rate to another type of Tembo ISA?

On maturity of your funds, your Cash ISA - Fixed Rate funds will automatically transfer to a hub account, where these can be transferred to a Tembo Cash ISA - Easy Access or another Cash ISA - Fixed Rate account. You cannot otherwise transfer funds from your Tembo Cash ISA - Fixed Rate to another type of Tembo ISA, such as a Tembo Cash ISA - Easy Access.

What happens if I move abroad?

You must notify us if you become a non-UK resident. You can notify us by emailing us at savings@tembomoney.com or through the live chat functionality on our mobile app. You can check your tax residency status online by visiting <https://www.gov.uk/tax-foreign-income/residence>.

If you are a UK resident but move abroad, your ISA can remain open and keep its tax-free status, but you cannot make any further contributions unless you are a Crown employee or married to/in a civil partnership with a Crown employee. If you return to the UK and notify us, you will be able to pay into your ISA again (subject to the annual ISA allowance).

What happens in the event of my death?

If you pass away, your Cash ISA - Fixed Rate will form part of your estate for inheritance tax purposes, and your spouse or civil partner can inherit the ISA tax advantages.

Once we are notified of your date of passing, we will designate your Cash ISA - Fixed Rate as a "continuing account of a deceased investor," meaning the account will maintain its ISA status for up to three years after that date. The account will continue to benefit from tax advantages until the earlier of the completion of the administration of your estate, the closure of the account, or the third anniversary of your passing.

Important information about compensation arrangements

We use third-party banks to hold your money. Funds awaiting maturity in the Cash ISA - Fixed Rate are held with Investec Bank Plc. The bank(s) we partner with are covered by the Financial Services Compensation Scheme (FSCS), which protects money in the event that a bank or financial institution is unable to meet its financial obligations.

The FSCS can pay compensation of up to £85,000 per person for your total eligible deposits with a particular bank, whether it is deposited by Tembo Savings, by other providers, or by you directly with the bank. This means that if the bank we hold your money with goes out of business and is unable to return your money, the FSCS may compensate you up to this limit, subject to eligibility.

Further information about the compensation provided by the FSCS can be found on the FSCS website at www.fscs.org.uk.

Please be aware that money held in the Cash ISA - Fixed Rate is pooled, which means you will be able to claim against the pool rather than for a specific sum in a specific account. This means that if there is an uncorrected shortfall in the pool for any reason, you will share proportionately in that shortfall. Additionally, because money held in the Cash ISA - Fixed Rate is held on trust, it may take longer to receive a payment from the FSCS, and could take up to three months.
