### Questions and Answers:

Below, we've included answers to some of the key questions you might have about this product:

#### **What is a Cash ISA?**

An Individual Savings Account (ISA) is a savings account for UK residents. Cash ISAs offer tax-free interest on savings, allowing you to save up to £20,000 per tax year without paying income tax on the interest earned.

### **How much can I save?**

The current annual limit is £20,000, often called the annual ISA allowance. This means you can invest up to £20,000 into a Cash ISA in the 2025-2026 tax year (from April 6th to April 5th) and then invest up to the ISA allowance again in the next tax year.

This £20,000 limit is shared with other ISA products, meaning, for example, if you invest £4,000 into a Tembo Lifetime ISA this tax year, you would have £16,000 of your overall £20,000 limit to invest into one or more ISAs.

### **Who can open a Tembo Cash ISA - Easy Access, and how do I open one?**

To open a Tembo Cash ISA - Easy Access, you must be aged 18 or older and either a resident of the UK, or, if you don't live in the UK, a member of the armed forces or a Crown servant (for example, diplomatic or overseas Civil Service) or their spouse or civil partner. You'll also need a national insurance number and email address. ISAs must be opened only in one person's name, as joint ISAs are not allowed.

Open an account through the Tembo App, available on the App Store and Play Store. After downloading the app, select 'Sign up' to create an account. If you meet the eligibility criteria, your account will be set up, and you'll be able to add money to it. Your Cash ISA will only be open once you first deposit funds into it.

Please be aware that if you have previously held a Tembo Cash ISA - Easy Access account and closed that account, you will not be able to reopen that account or open a new account.

### **How can I contribute to my Cash ISA?**

You can make one-off contributions and set up regular contributions by Direct Debit by initiating this in the mobile App. The minimum contribution by direct debit is £25. The minimum contribution by instant bank payment (one-off contribution) is £10. Contributions must come from a UK personal current account in your name.

### **How often is interest paid, and can the rate change?**

The underlying rate of interest accrues daily and is applied to your account on the 8th working day of the following month. Accrued interest will compound whilst waiting to be paid into the account.

Any bonus interest rate that applies to your account will accrue daily on the account balance. The bonus interest rate accrues for 365 days from the date you submit your application to open a Tembo Cash ISA - Easy Access. The bonus interest rate becomes payable only after the end of this 365-day accrual period, provided the account remains open with Tembo. The bonus is paid into your balance once, on the 8th working day of the month after the 365 bonus interest accrual period expires. After the first 365 days, the bonus rate will expire automatically, and you will only earn the variable base rate.

The interest rate on this account is variable and may change in the future. You will be given at least 1 day's notice before an interest rate decrease occurs. If the interest rate increases, we may not provide notice, but we will publish information on our website and in our mobile app.

### **Withdrawing money from my Cash ISA**

You can withdraw all or part of the balance from your Cash ISA at any time. Withdrawals typically take three working days to be processed. This may take longer if the withdrawal cannot be processed for any reason, including where we believe it is necessary to protect your money from potential fraudsters.

Withdrawals are initiated through the App, and the minimum amount that can be withdrawn is £10, or the remainder of your balance if less than £10. Withdrawals must be to a linked UK personal current account that is in your name.

There is no limit to the number of withdrawals you can make, but the Cash ISA is not flexible, meaning any amounts withdrawn will count towards your annual ISA allowance and cannot be replaced within the same tax year.

### **Can I cancel my Cash ISA?**

If you are unhappy with your choice of account within 14 days of making your first deposit, you can cancel your account via the app or by emailing us at [savings@tembomoney.com](mailto:savings@tembomoney.com). By cancelling your account within this 14-day cancellation period, any money you put into your account will not count towards your annual subscription limit. Upon closing your account, we will return your money to you, but not any interest it might have earned before you decided to cancel.

### **Can I close my Cash ISA?**

You can close this account at any time by contacting us via our App or emailing us at [savings@tembomoney.com](mailto:savings@tembomoney.com). If the account holder has passed away, please let us know by contacting us via the App or by email.

Please also note that by withdrawing all funds from your Tembo Cash ISA - Easy Access, the account will be closed and you will not be able to reopen it.

### **What are the charges for this account?**

There are no fees or charges for the Cash ISA account. We will retain the difference (if any) between the interest received from the underlying third-party banks we use to hold your money and the amounts paid on your product.

### **Where is my money held?**

The money you pay into this Tembo Cash ISA - Easy Access is deposited directly into client money bank accounts held with our third-party banking counterparties. You can find out more about the banks we use on our website and our FSCS Information document.

### **Can I transfer my ISA from another provider to a Tembo Cash ISA - Easy Access?**

No. This account does not accept inbound transfers from other ISA providers. You may only fund this account by making new cash subscriptions from your linked UK current account via the Tembo App.

Please note that, notwithstanding Condition 8.1 of the Customer Agreement, inbound ISA transfers are not available on this product variant. This restriction may be lifted or varied by Tembo in the future, in which case an updated Key Features Document will be published in the App and on our website.

### **Can I transfer my Tembo Cash ISA - Easy Access to another provider?**

You can transfer the value of your Cash ISA - Easy Access to another provider at any time. Please note that we do not facilitate partial transfers to other providers, so you must transfer your entire balance to the new provider.

To transfer your Cash ISA to another provider, please contact them to initiate this, and your new provider will then contact us to arrange the transfer.

Please be aware that if you transfer your Tembo Cash ISA - Easy Access to another provider, you will not be able to transfer your account back to Tembo.

### **Can I transfer my Tembo Cash ISA - Easy Access to another type of Tembo ISA?**

You may transfer your Cash ISA - Easy Access to a Tembo Cash ISA - Fixed Rate. You cannot, however, transfer your Cash ISA - Easy Access to a Lifetime ISA or HomeSaver account. Please note, if you transfer your Cash ISA - Easy Access to a Tembo Cash ISA - Fixed Rate, you must keep at least £1 in the account.

### **What happens if I move abroad?**

You must notify us if you become a non-UK resident. You can notify us by emailing us at [savings@tembomoney.com](mailto:savings@tembomoney.com) or through the live chat functionality on our mobile app. You can check your tax residency status online by visiting <https://www.gov.uk/tax-foreign-income/residence>.

If you are a UK resident but move abroad, your ISA can remain open and keep its tax-free status, but you cannot make any further contributions unless you are a Crown employee or married to/in a civil partnership with a Crown employee. If you return to the UK and notify us, you will be able to pay into your ISA again (subject to the annual ISA allowance).

### **What happens in the event of my death?**

If you pass away, your Cash ISA will form part of your estate for inheritance tax purposes, and your spouse or civil partner can inherit the ISA tax advantages.

Once we are notified of your date of passing, we will designate your Cash ISA as a "continuing account of a deceased investor," meaning the account will maintain its ISA status for up to three years after that date. The account will continue to benefit from tax advantages until the earlier of the completion of the administration of your estate, the closure of the account, or the third anniversary of your passing.

### **Important information about compensation arrangements**

We use third-party banks to hold your money. The banks we partner with are covered by the Financial Services Compensation Scheme (FSCS), which protects money in the event that a bank or financial institution is unable to meet its financial obligations.

The FSCS can pay compensation of up to £120,000 per person for your total eligible deposits with a particular bank, whether they are deposited by Tembo Savings, by other providers, or by you directly with the bank. This means that if the bank we hold your money with goes out of business and is unable to return your money, the FSCS may compensate you up to this limit, subject to eligibility.

Further information about the compensation provided by the FSCS can be found on the FSCS website at [www.fscs.org.uk](http://www.fscs.org.uk).
