Dermaplaning • \$79

A gentle exfoliation using a sterile blade to remove dead skin cells and peach fuzz, leaving the skin smooth, radiant, and prepped for deeper product absorption.

High Frequency • \$29

Enhance your facial with high-frequency therapy to reduce bacteria, calm inflammation, and promote healing for clearer, healthier skin.

Microcurrent • \$59

Tone and tighten facial muscles with targeted microcurrent stimulation for an instant lift and contour boost.

LED Light Therapy • \$39

Custom light wavelengths target acne, inflammation, and fine lines while promoting cellular repair and collagen production.

Targeted Red Light Enhancement • \$59

This focused enhancement combines advanced red light therapy with customized manual techniques to address specific areas of the face and neck. Designed to stimulate circulation, boost collagen production, and support lymphatic flow, it helps refine, firm, and revitalize the skin. Ideal for clients seeking an extra boost of radiance and rejuvenation within any facial or sculpting treatment.

Lymphatic Drainage (arms or legs) \$49

Add-on lymphatic drainage to the arms or legs to promote detoxification, reduce swelling, and enhance overall circulation.

Microneedling For Hands • \$199

Rejuvenate the hands with targeted microneedling to improve texture, pigmentation, and firmness for smoother, younger-looking skin.

Microneedling For Neck • \$99

Enhance your microneedling treatment by extending it to the delicate skin of the neck. This add-on helps improve skin texture, firmness, and overall tone, targeting fine lines, mild sagging, and signs of aging. Safe and effective, it works to stimulate collagen production, leaving your neck looking smoother, rejuvenated, and more youthful. Perfect for clients who want a complete, head-to-chest rejuvenation experience.

The Express Hydration IV • \$49

Enhance your glow from the inside out. During your facial, an experienced RN administers a half-liter IV hydration infusion to instantly replenish, refresh, and restore skin radiance. Optional boosters available for extra glow, immunity, or energy.
