

THAKEHAM

AT

WELBORNE

A collection of 3 & 4 bedroom  
**zero carbon** homes

*Imagine a place you'll  
love for a lifetime — rooted  
in nature and designed  
for the future. Welcome to  
Thakeham at Welborne.*

# A new *garden village*, rooted in nature

Expertly designed and crafted for the future and with a sense of community at its heart. Inspired by Edwardian exemplars, Welborne has set the benchmark for the traditional English Garden Village – one fit for the modern age, with leafy tree-lined streets, grass verges and hedgerows.

# Beautifully designed, *sustainable* new homes

“Thakeham has been creating flourishing communities for over 20 years, bringing people together in locations where they can truly belong and call home.

We’ve never wavered in our commitment to building beautifully designed, high-quality, sustainable new homes, incorporating exquisite details and finishing touches that bring purpose and pleasure – a standard that we are proud to put our name to.

This marks an exciting new chapter for us, as we bring this approach to Welborne Garden Village.”

**Rob Boughton**  
Founder and CEO, Thakeham

## Escape to the *countryside* and find the perfect lifestyle balance

Welborne is tucked away in a beautiful corner of Hampshire, fabled for its ancient history, rolling countryside and rich literary heritage.

Just a short distance away, Jane Austen's House stands as a tribute to one of England's greatest writers, who found inspiration in these very landscapes while crafting timeless classics like *Pride and Prejudice*.

Since then, writers, artists and poets seeking to escape the 'madding crowds' have been drawn to the area to enjoy the tranquillity and beauty of living in the heart of nature.

And now, you can do the same.

Make it all yours at Welborne.

## COASTAL AND COUNTRYSIDE

At Welborne you are best placed to enjoy the best of both coastal and countryside attractions. It's a mix of old and new, offering charming Georgian architecture alongside modern amenities.

Wickham's historic village is known for its characterful square, bustling with independent shops, cosy cafés and traditional pubs. Wickham also marks the start of the Meon Valley Trail, a nine mile path on the old Meon Valley Railway Line. Picturesque villages are the perfect stop along the trail, or for a stroll alongside the River Meon.

An idyllic setting for those who love the great outdoors, scenic walks, cycling routes, and nearby access to the South Downs National Park.

Coastal path

Spinnaker Tower

Quob Park Old House Hotel & Spa

# Just a stone's throw away

Situated north of Fareham, nestled between the rolling hills of the South Downs and the stunning Portsmouth coast, you'll find one of Hampshire's best-kept secrets: a new generation garden village that effortlessly combines sustainability, comfort, and modern living.

## TRAVEL & CONNECTIONS

### Bus

The future Bus Rapid Transport (BRT) service will provide a direct link between Welborne and Fareham railway station, offering a quick and convenient connection.

### Train

Fareham station 3 miles / 17 mins by bus / 15 mins cycle

South Western Railway services run on a frequent basis to London Waterloo (1 hour 45 mins). Alternative rail stations are located at:

- Portsmouth and Southsea (15 mins)
- Portsmouth Harbour (20 mins)
- Southampton Central (34 mins)

### Bike

As part of Welborne's commitment to sustainable travel, we're working on improving cycle routes to Fareham. The ample, secure cycle storage at the station makes this an attractive option for commuters.

### Road

At Welborne, you will be well connected with the A32 and M27, providing excellent road links to Fareham, Portsmouth, Winchester and Southampton.

# The vision

Imagine a place where you would still want to live 100 years from now; sustainable, connected, and deeply rooted in nature.

A visionary, future-facing community with its own unique soul woven into its very foundations, where each home boasts individual character, innovative energy-saving features, and stunning heritage-inspired architecture, built to last by master craftspeople. Where expansive green spaces are always within reach, and every detail – from the streetscapes to the amenities – has been carefully considered and created under a unified vision.

## Welcome to *Welborne*, a new blueprint for modern village living

Welborne is Hampshire's first new village in over 40 years, shaped by a bold, unified vision to create the very best in modern, sustainable living – a thriving, harmonious community where people can live, work, and play.

Featuring beautifully designed, energy-efficient homes intertwined with extensive, publicly accessible green spaces, Welborne offers a low-density, greener environment that supports hybrid working, reduces long commutes, and places quality of life at its heart.

Welborne's vibrant heart will offer a wealth of amenities, including schools, healthcare, childcare, shops, cafés and a welcoming pub, while a range of sports and leisure facilities, a science and technology park, and abundant job opportunities will further enrich the community. With over 50% of the village dedicated to green space, restored wildlife habitats, and a strong eco-conscious ethos, Welborne is more than just a place to live – it's a place to truly belong, both now and for generations to come.

Chesterfield Village Centre

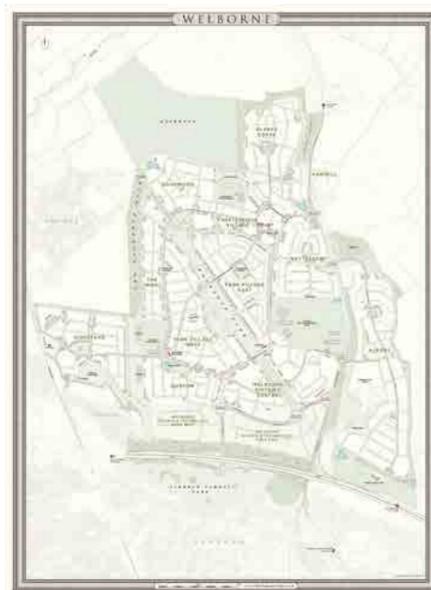

# Become part of something *truly special*

Guided by this blueprint for the village created by the Buckland Group, Thakeham was selected as a key developer due to our expertise in crafting exceptional homes that embody this vision.

Be one of the first to put down roots in your new Thakeham home at Welborne, and be a part of shaping the future of this next-generation garden village – growing alongside nature as it thrives around you.

At the heart of this landmark community will be 153 meticulously crafted Thakeham homes, each built to the highest standards, with a focus on long-term environmental impact.

With a collection of zero carbon properties, our Thakeham homes represent a deep commitment to energy efficiency, offering a living experience that's perfect for the future, while supporting a sustainable way of life today.

# Building better, building *beautiful*

A sustainable home for the future is one built well today. Driven by tradition, and following the Design Codes set by our Town Architect, Ben Pentreath, Welborne has been designed and built to a high standard with extraordinary attention to detail.

Our craftsmanship will incorporate many familiar traditional features of period properties, recreating the much-loved architectural characteristics of Hampshire's historic market towns, such as Alresford, Stockbridge, and Wickham, and the Edwardian Garden Villages.

Traditional building techniques and materials, combined with the very latest technology for modern living, will protect your investment for the future, ensuring it remains a highly desirable, enduringly beautiful and sustainable place to live for the next 100 years and beyond.

Every resident will enjoy automatic Wi-Fi coverage throughout the whole of Welborne – at the park, the pub or the bus stop – where and when you need it.

## Living next to *nature*

Central to our placemaking vision for Welborne is the creation and development of an extensive network of green space.

Residents will have access to 444 acres of green space – the equivalent of 277 Wembley-sized football pitches. Your home won't be any more than 300 metres away from nature. From the tree-lined streets and grass verges to the allotments, playgrounds, orchards, and open woodland, making up more than half of Welborne.

And at the heart of the village, residents can come together to relax and play in Welborne Park, a 30 acre focal point for the Garden Village community.

Welborne's architects have purposefully landscaped and planted attractive ponds to support and enhance local biodiversity as well as to regulate surface water levels.

The scale of Welborne's green spaces will create a sense of openness at the heart of the development, as well as providing greater opportunities for exercise and socialising, encouraging healthier lifestyles and improved mental wellbeing.

# *Introducing the Thakeham Signature Collection*

Shaping the very fabric of the village, Thakeham is bringing Welborne's cohesive and characterful design vision to life through our Thakeham Signature Collection.

This selection of homes combines cutting edge eco-technology – solar panels and water source heat pumps – with exceptional energy efficiency, modern comfort, and timeless, heritage-inspired style. Rich in personality and soul, each home is a joyful retreat designed to inspire for generations. Choose a home that elevates your life, where thoughtful design and exceptional craftsmanship create a space unlike any other.

# Join the zero carbon revolution

We strive to set new standards for modern, energy-efficient living, with a vision of a future where sustainability is seamlessly woven into everyday life, tackling climate change head-on.

Offering a collection of zero carbon homes, the Thakeham Signature Collection is thoughtfully crafted with sustainability at its heart, reducing environmental impact while maximising energy efficiency. Saving as much energy as they consume, our homes enable you to embrace a carbon neutral lifestyle, so that you know you're making a positive contribution to the environment.

It's time to discover your new zero carbon Thakeham home in Welborne – where thoughtful design, smarter living, and a better future for the planet come together under one roof.

Example zero carbon Thakeham home

- 1 Individual heat pump connected to the district heating network
- 2 Energy efficient appliances
- 3 EV charger
- 4 Hedgehog holes/highway
- 5 Improved air tightness, solar protection & thermal insulation
- 6 Improved insulation
- 7 Low energy lighting
- 8 Solar PV panels to selected homes
- 9 Swift brick to selected homes
- 10 Water saving devices & wastewater heat recovery

# Making a positive impact *starts at home*

Thakeham's sustainable design philosophy runs through every aspect of Welborne. A truly inspiring example of working with the existing natural environment.

We've placed bird and bat boxes on homes, created hedgehog holes and highways, protected the most ecologically sensitive areas, and supported a nationally recognised landscape-scale recovery project. New trees and hedgerows have also been planted around the homes.

## THE SIGNATURE COLLECTION

The Thakeham Signature Collection embodies a bold vision for modern homebuilding, seamlessly blending the timeless elegance of classical architecture with contemporary interior design and cutting-edge innovation that is unmatched.

Each home is meticulously crafted to fulfil the promise of a 'better place to live.' Drawing inspiration from heritage styles, every iconic home is created with passion and precision to offer character, charm and a true sense of belonging.

Striking exteriors meet thoughtfully designed interiors, where premium materials and superior specifications ensure lasting quality, comfort and timeless appeal.

The Portland

Our house designs embody the timeless elegance of traditional Hampshire architecture, characterised by Georgian proportions. Distinctive features include formal panelled front doors with fanlights and striking bay sash windows framed by stone surrounds. Inside, the classic style continues with handcrafted shaker kitchens, refined Georgian coving and herringbone flooring.

# What makes our homes so *special?*

When you become a Thakeham homeowner, you join a community of discerning buyers who value quality craftsmanship, design integrity, and attention to the details that matter most.

From premium materials to thoughtful finishing touches, every element reflects our unwavering commitment to sustainability and excellence. You'll have the peace of mind of knowing you're making a significant contribution to protecting our future for generations to come.

Speak with our team or current homeowners, and you'll hear passionate opinions on what they love most about their Thakeham home. Whether it's the design, unmatched comfort, or sustainable features, something special always shines through. Discover your own list of favourites!

## Thakeham offers

- Five-star customer satisfaction and home care
- Peace of mind – you've bought the best
- Zero carbon homes
- Superior craftsmanship and attention to detail
- Exemplar construction – homes built to last
- High specification
- Inspirational vision for new homes
- Pride in what we do

“We have definitely noticed how energy-efficient and well insulated the house is. It keeps us lovely and warm in winter, yet cool in the recent heat wave, which is a world away from our old home!”

Thakeham homeowner – 2024

# The Thakeham *difference*

“Thakeham is a multi-award winning, contemporary home builder founded by two friends with mutual and extensive experience in the property industry. We both believe homeowners and their communities deserve better.

Our plan was simple: aim to be the best and to give the best. Over two decades on, our initial family team has become a force dedicated to creating new communities where lives flourish and aspirations are fulfilled.

It’s our implacable philosophy that a strong, positive culture, combined with a team-focussed vision and purpose can achieve and maintain our ambition to be the best home builder in the UK. This reflects our commitment to uncompromising property standards and build excellence, which are inherent in every home we create. It’s also why we’ve been recognised in the Times 100 Best Places to Work.

The countryside and the unique landscape we find ourselves in are precious and fragile, and wherever we can we improve natural environments. Our purpose is to set the standards for others to follow and ensure that you get the beautiful home and community you truly deserve.

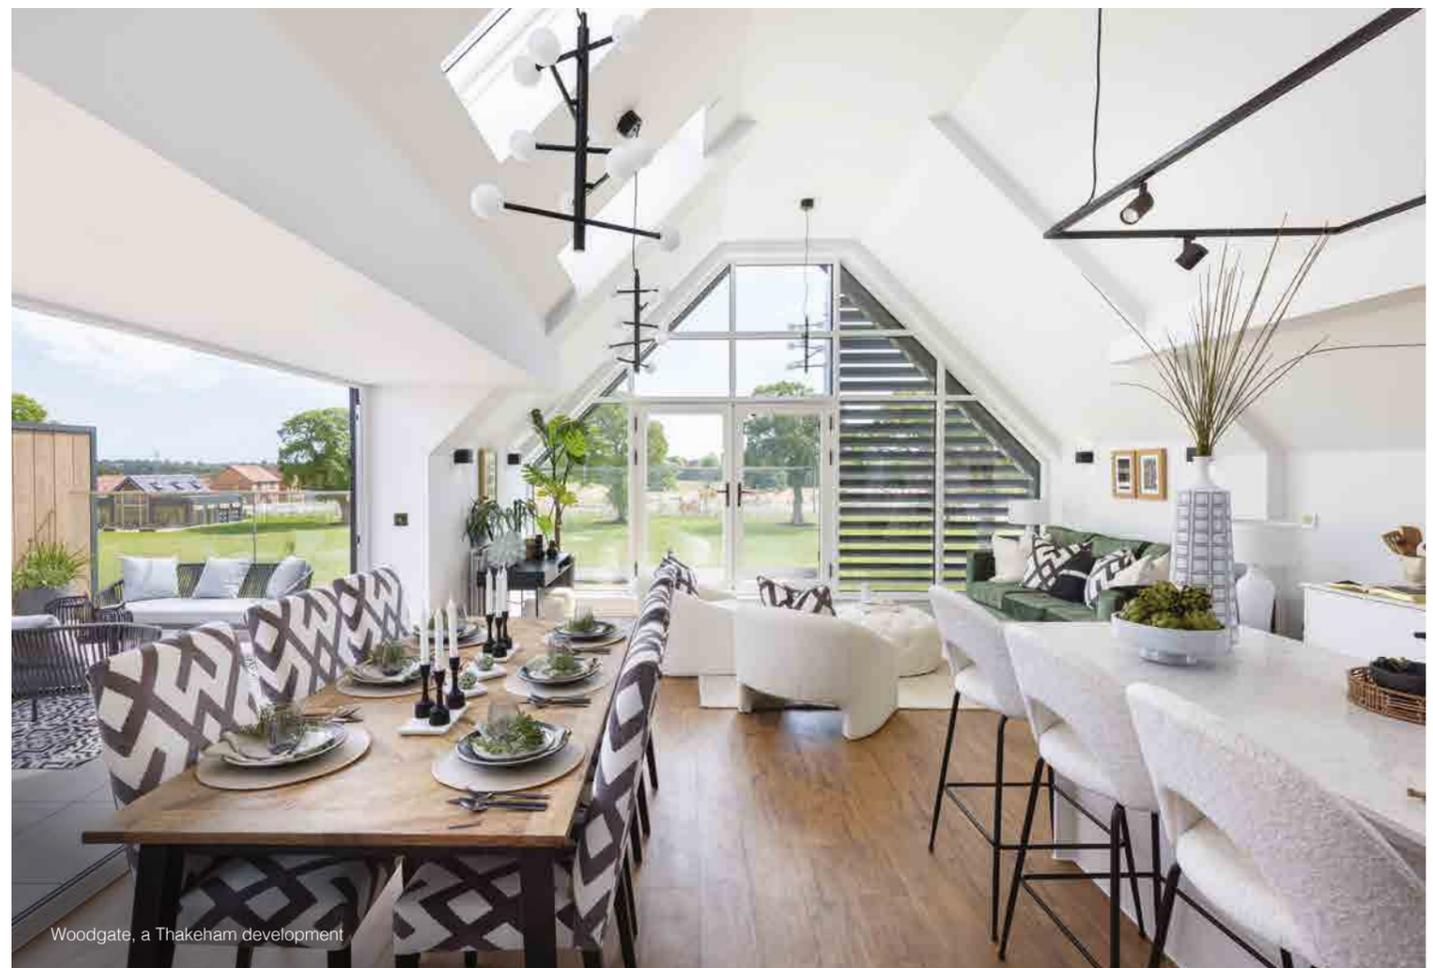

I visit every site personally to ensure that the quality, materials and specification are up to our high levels of scrutiny, to meet your standards and never disappoint. I hope that by putting your trust in a Thakeham home, it gives you, your family and friends endless years of happiness.”

**Julian Rooney**  
Founder

“This home gives me total independence, though I feel part of a community. I feel settled and secure here and part of a lovely community where everyone looks out for each other. Even my apartment building is a little community itself, within the wider Woodgate community.”

Thakeham homeowner – 2024

Welborne Park

  
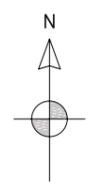

THAKEHAM

# NOT ALL HOUSEBUILDERS ARE CREATED EQUAL

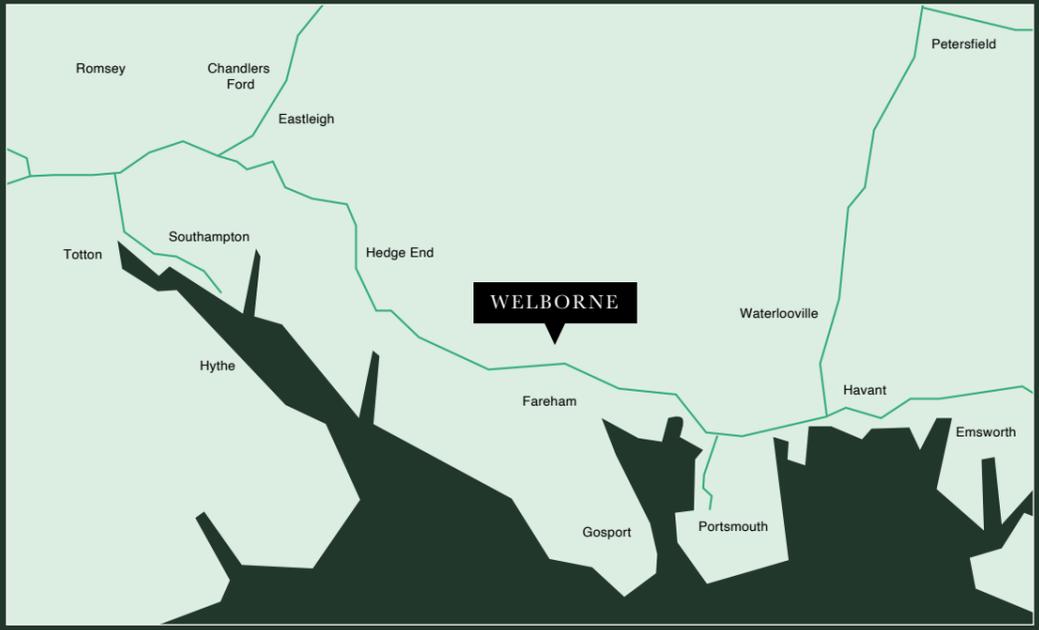

At Thakeham, we place you – the customer – at the heart of everything we do, offering exceptional support every step of the way.

With over 20 years of expertise in crafting new homes, a Thakeham home is more than just a place to live; it's a lasting legacy of beauty, comfort and sustainability.

Every home is thoughtfully designed to stand the test of time, offering unparalleled energy efficiency and minimal environmental impact. When you choose Thakeham, you're choosing the peace of mind of knowing that your home will remain as beautiful and effortless to maintain as the day you moved in.

Woodgate, a Thakeham development

Protection for new-build home buyers

Maps are not to scale and show approximate locations only. The information in this document is indicative and is intended to act as a guide only as to the finished product. Whilst every effort has been made to ensure that the information contained in this brochure is correct, it is designed specifically as a guide and Thakeham reserves the right to amend the specification as necessary and without notice. Information provided about the wider community at Welborne and the overall vision, is subject to the relevant planning approvals. The location of affordable homes is correct at time of launch but is subject to change, please speak to our team for further information. This does not form any part of a contract of sale or warranty. Welborne is a marketing name and will not necessarily form part of the approved postal address. Applicants are advised to contact Thakeham to ascertain the availability of any particular property. Information correct at time of Print – February 2025
