We recommend booking our Forest Shelter as the base for the day. To gather upon arrival, after activities and to eat. The shelter is a wooden structure with bench seating which accommodates up to around 30-40 people seated.

This would be a private base for the day exclusively for you. For school trips it is always great to have a meeting point, which is why we would always recommend booking for your day.

Charges apply.

NEW! CATERING

Sit back, relax and let us take care of the lunch element of your day. We work with experienced, local catering teams to provide hearty food options. This includes ensuring we can cater to dietary and allergen requirements.

BBQ • PICNIC LUNCHES • PIZZA

Our catering options vary depending on the location you're visiting, so speak to a member of the team about your options.

OUR ACCREDITATIONS

We are proud holders of the Learning Outside the Classroom Quality Badge at 25 of our locations.
