

Temporary road closure at Hatchmere crossroads

Monday 30 March until Tuesday 9 June 2026

We're carrying out work to move some of our assets which are currently located under the road, into nearby land. This will help to provide clear access for future maintenance/repairs and help us to make sure the water network runs smoothly.

We do understand that roadworks are inconvenient and will always try our best to minimise disruption wherever possible. For safety, the crossroads at Blakemere Lane, Delamere Road, Ashton Road and School Lane will need to close for all vehicles while we carry out the work to move our assets from Monday 30 March until Tuesday 9 June 2026.

Pedestrian routes will remain open where possible but there will be no vehicle access through the crossroads. All businesses will be open as usual and clear signage will be in place to direct vehicles around our working area.

Thank you for your patience and understanding. If you have any queries, please don't hesitate to get in touch. You can reach us:

Call us on **0345 672 3723** quoting project number **80063071.02**

Send us a message on our Facebook, X or Instagram social media channels
