

Sometimes, asset finance just clicks.

Up to \$75,000 with no financials required[^] available quickly for your new or used equipment.

Asset finance for SMEs

As a business owner who understands the connection between success and the quality of their equipment, it is increasingly important to have access to assets that assist you in servicing your customers and staff. Here at Maia Financial we understand the nuances and complexities aligned with equipment finance.

Our sole focus is to help you achieve your business goals, by structuring a finance solution which gets the equipment into your hands quickly. What's more, with little to no financials required, you get access to capital for your next purchase, fast.

Reach out to our Asset Finance Specialists, to learn more about how our low-doc product can benefit your business.
