

## Neo MK II Wall Hung Vanity

Neo combines function with exclusive, uncomplicated design. The needs and desires of the modern family strongly influenced the creation of Neo, resulting in a contemporary, highly adaptable range of basins with superior quality furniture. The Neo furniture pairs with the Neo wall basin, or alternately can be supplied with a solid surface bench top suitable for a counter basin.

| SPECIFICATIONS        |                                                                                                                   | STANDARD SIZES                                                                                                      |     |           |      |           |
