ARKI WALL BASINS

The Arki wall mounted basins feature a sculptural, shaped bowl that elevates it from a functional fixture to a statement piece. Whether installed in a minimalist bathroom, a boutique hotel powder room, or a modern commercial setting, the basin adds a touch of sophistication and artistic flair. The wall-mounted design not only saves space but also enhances the visual impact, allowing the bowl's unique shape to stand out. Crafted from high-quality materials, it combines durability with design, offering both practicality and style in equal measure.
