2. BASIN

CHECK THE BASIN COMPATIBILITY GUIDE HERE

Neve suits a wide range of Omvivo above counter, semi inset and undermount basins depending on the height of the benchtop. Use the Basin Compatibility Guide to view which basins are suitable for Neve vanities, the benchtop height required and tap hole options.

5. TERMS AND CONDITIONS

This product will be supplied to your exact specifications. Please check your selections carefully as the vanity is non-returnable from the day of the signed order form. Omvivo will not supply until the custom order form has been signed and returned to Omvivo and will not be held liable for any delays in supplying this item. Thank you for your understanding.

☐ **I hereby understand and agree to the terms and conditions stated above.**
