Executive Leadership Program 2024

April 23 & 24, 9am - 5pm

Alt Hotel Toronto Airport, 6080 Viscount Rd, Mississauga, ON

Executive Leadership Program

“Leadership and learning are indispensable to each other.” - John F. Kennedy

An expert faculty will guide you through the process of building a strong executive leadership brand and facilitate the development of your executive level skills to support you in your current and future leadership roles.

Learning Objectives

- **Identify** your dominant leadership style and discover how to quickly adapt your style for incremental success.
- **Develop** your brand and story and hear about the power of consistently living your brand.
- **Gain** insight about the importance of shifting from functional to enterprise leadership.
- **Improve** your skills in the “Art of Story Telling” and how to adapt your presentations for senior leaders.
- **Understand** the ‘stages of change’ and the effective leadership skills to guide people through transformational change and become a high performing team.
- **Acquire** a deeper understanding on the implications of recent changes in the Canadian pharma landscape.
- **Network** with likeminded industry peers, and Canadian pharma general managers
