

Pangaea Academy™

## Executive Leadership Program 2026

April 15 & 16, 9am - 5pm

Alt Hotel Toronto Airport, 6080 Viscount Rd, Mississauga, ON

# Executive Leadership Program

**"Leadership and learning are indispensable to each other." - John F. Kennedy**

An expert faculty will guide you through the process of building a strong executive leadership brand and facilitate the development of your executive level skills to support you in your current and future leadership roles.

## Learning Objectives

- **Discover** your dominant leadership style and how to adapt for success
- **Build** and learn how to live your leadership brand with confidence and consistency
- **Gain** insight into the importance of shifting from functional to enterprise leadership
- **Master** the art of storytelling and deliver presentations that resonate with senior leaders
- **Develop** a deep understanding of the evolving pharma landscape and lead through change
- **Network** with industry peers and Canadian pharma GMs

## Facilitators & Guest Speakers: Learn from Executive Leaders

*Facilitators:* Sylvie Pilon, Director, and Jeff Martens, Managing Director, The Pangaea Group

*Guest Faculty:* Canadian Pharma General Managers, Executives and Country Presidents will share their personal experiences and learnings.

## Who should attend?

Pharma Senior Leaders and Executives: Individuals who are currently serving in senior leadership roles within pharmaceutical/biotech organizations and are looking to further enhance their leadership capabilities.

## Course Format

The course is designed in two steps:

Step 1: Facilitators will guide you through a process that will help you shape and complete **your personal leadership brand and story**.

Step 2: Executive knowledge and skills training which will be interactive and constructed to **allow participants to integrate learnings into practice**.

Sessions are offered in a 2-day session balancing time to embed learning while easing impact of time out of office. Day one is followed with a complimentary networking hour.

**\$8,000 + HST**
