

Student Regulations for Polimoda Seasonal Courses

“Ente per le Arti Applicate alla Moda ed al Costume” Association, known as “Polimoda”

SECTION I: DOCUMENTS

ART.1 ENROLMENT/ATTENDANCE CERTIFICATES

Enrolment/Attendance certificates requested by the student are issued by the Academic Affairs Office of Polimoda solely to Students who have paid their course fees in full and who have regularly signed the enrolment contract in the Course.

ART.2 DOCUMENTS FOR NON-EU STUDENTS

To be able to attend Polimoda, non-EU Students must have satisfied all Italian immigration law requirements.

Bureaucratic requirements for the issue of a Student's visa and foreigner's permit of stay (or renewal thereof), including declarations of stay that may be required by the Italian law, are the responsibility of the Student, who will therefore have to arrange these documents independently and under their own responsibility.

Students who need to apply for a Student visa, will be required to provide copies of the following documents to the Academic Affairs Office:

- Visa for entry into Italy, issued by the competent Italian Embassy/Consulate;
- Certificate of enrolment issued by Polimoda at the time of registration, stamped by the competent Italian Embassy or Consulate at the time of entry visa issue.

Should the Student fail to provide the above documents within 7 days of the commencement of lessons, Polimoda will require the Student to provide the reasons for this delay within the time period stated in the relevant communication. Following assessment of these reasons and more generally, the Student's circumstances, Polimoda will decide on further action to be taken.

The Student will be responsible for checking, independently and under their own responsibility, that the procedures and requirements necessary to leave and re-enter the country have been met, including for the purposes of the course (e.g. field trips or study projects).

NON-EU Students (who may need a Student visa) already in Italy at the time of admission to the Polimoda course, and with a Student visa for attending institutes other than Polimoda, must, on receipt of official confirmation of admission to the Polimoda course, obtain a new Student visa applicable to the enrolment certificate issued by Polimoda, which is essential for the correct implementation of the whole course.

The Student undertakes to use the Polimoda documents certifying their course enrolment, exclusively to apply for an entry visa and foreigner's permit of stay for the purposes of attending the Polimoda course, and not to use it for any other purpose should they decide not to enter Italy for the specific aim of attending the course.

Polimoda has signed an agreement with **Italy4You S.r.l.s.**, headquartered in Viale Spartaco Lavagnini, 70/72 - The Student Hotel - Collab - Florence, which specialises in assistance services for the administration processes involved in acquiring a foreigner's permit of stay or processing a declaration of stay, as specified in article 8 of these regulations.

Students are expected to respect the timetable and to arrive on time, both to lessons held in person and to lessons held remotely.

Lecturers will inform Students of the maximum permitted lateness, after which time they may not enter the classroom and will be marked as absent.

Lesson attendance is compulsory for both lessons held in person and for lessons held remotely. Student absences cannot exceed more than 20% of the total hours for each subject. The student's presence in the lessons held remotely, as well as his eventual absence, will be noticed through the e-learning platform that Polimoda will use to deliver the Course. Students will officially be informed by email, of events and activities (workshops, guest lectures, teaching projects) for which attendance is compulsory. Any absences above this percentage, as well as failure to participate in the above indicated events, will be assessed by the Department Supervisor, as part of the Student's progress.

Absences due to sickness must be proven with a medical certificate, which the Student must present to the Academic Affairs Office on the day of their return. In case of absences lasting over 3 (three) consecutive days of lessons, the Student must inform the Institute, via email, of their absence due to illness.

The final certificate for Seasonal Courses from Polimoda is issued to Students who have attended lessons regularly at least 80% of the total hours of lessons provided within the Course.

Non-EU Students who have obtained a Student visa on the basis of Polimoda's certificate:

Should any non-EU Students, for whom a Student visa may be necessary, fail to complete the entire training course within the time period specified on the registration form stamped by the embassy/consulate issuing the Student visa, Polimoda cannot accept any liability for failure to obtain an extension to the resident's permit from the Police.

In the event of non-EU Students who, after having applied for a visa on the basis of certifications issued by Polimoda, do not begin attending lessons by the second day of course commencement without providing good reason, or who, after commencing the course, are found to have been absent without good reason for more than two weeks, Polimoda will inform the Police of Florence and the Embassy/Consulate that issued the study visa to the Student.

ART.5 COMPULSORY TRAINING ON SAFETY IN THE WORKPLACE

Pursuant to Article 2, letter a) of Legislative Decree 81/08, when attending school laboratories, Students will be equivalent to workers and therefore, are subject to the same preventive and protective measures in the interests of their health and safety.

Before commencing activities that involve exposure to risk, every Student must follow the on-line "General training in health and safety in the workplace" (4 hours) and 8 hours of specific training (class lecture) - average risk, for the use of lab equipment.

All above mentioned training activities require the passing of a final exam in order to achieve the final certificates.

The training is made available by Polimoda both for the e-learning part (which Students complete autonomously), and for the lectures (on the dates and at the times given on myPolimoda).

Only Students who achieved all final certificates above will be admitted to use lab equipment.

ART.6 COURSE TRANSFERS AND CHANGES TO COURSE PROGRAMMES

Students can transfer from one Course to another or change study curriculum, subject to the decision of the Department Supervisor.

Transferring to a Course regulated by a different department must be authorised first by the Department Supervisor of the Student's original Course and then, by the Department Supervisor for the Course to which the Student intends to transfer. These transfers must be formalised by completion of the relevant forms by the Student.

Non-EU Students who need a Student visa:

- in the event that the new Course to which the transfer is requested ends on a date after the one stated for the end of the Course on the registration certificate stamped by the Embassy/Consulate, Polimoda cannot accept responsibility in the event that the Police refuse to extend the validity of the foreigner's permit of stay until the end of the new Course;
