IMPORTANT DATES

HOW TO SUBMIT AN ePOSTER

1. Click [here](#) to submit your abstract.
 - Select your presentation type: Student Poster Presentation.
 - Under the field 'Select a topic' choose: Student Poster Competition.
2. Don't forget to [register](#) for the conference.
3. Once your abstract is approved (after March 23) [upload](#) a 2–5 minute video summary of your presentation.
4. By April 23, [upload](#) your PDF e-poster in the system.

ePOSTER INFORMATION

An e-poster combines a digital content display with interactive touchscreen technology.

The content is displayed digitally on **touchscreen**. Viewers can interact directly with the content using the touchscreen, navigating through different sections of the ePoster, zooming in on specific details.

Benefits:

- **Dynamic Content:** More engaging and visually appealing than static printed posters
- **Interactivity:** Allows viewers to explore content in a hands-on manner
- **Accessibility:** Content can be updated or modified without reprinting
- **Environmentally Friendly:** Reduces paper waste

SIZE & DETAILS

- There are no strict size restrictions, but a 1:2 width-to-height ratio is recommended.
- ePosters look best in a 9:16 vertical format.
- Upload high-resolution PDFs, as files will be converted into images for display.
- ePosters may include images and text.
- Image quality depends on DPI (dots per inch)—low DPI images may appear blurred when enlarged. Use high-DPI images where possible.

REGISTRATION

ePoster presenters must register through the CIM Convention web site:
<https://convention.cim.org/registration>

RECORDING OF PRESENTATION

Students are asked to record a 2-5 min summary video online at:

<https://www.xcdsystem.com/cim/abstract/index.cfm?ID=16vomyy>

The video will be featured on our website to promote your ePoster and attract participants to the ePoster competition.

Please follow the "How to Record" instructions provided.

PRESENTATION TIMES

ePosters will be displayed in the main foyer near the registration area, allowing participants to view them at any time during the conference.

If available during coffee breaks and lunches, students are encouraged to remain near their ePosters in the Registration Hall to present their work and answer questions.

PRIZES

The three winners will be announced on Tuesday, May 5, between 12:00–14:00 at the Student–Industry Luncheon.
