

Families Vacations

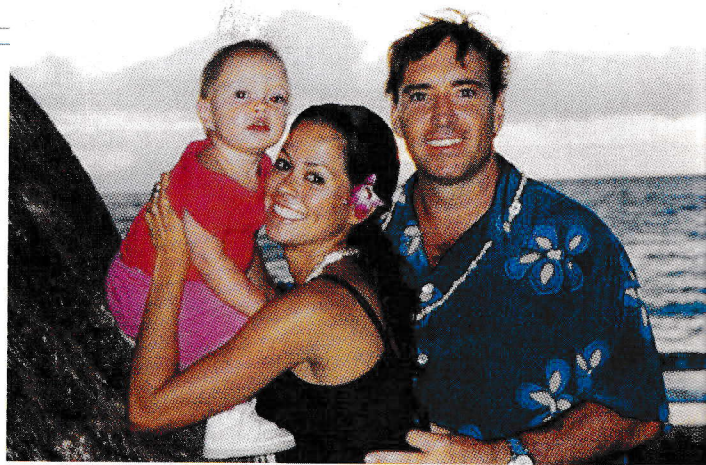

Hook, Line and Singer

RANDY TRAVIS "An annual fishing trip [to northern Wisconsin last summer] with our godson Andre [Ozil, 17] gives my wife, Elizabeth, and me an escape from the demands of the music business. No phones allowed!"

Love Bowl

MELISSA JOAN HART

"For Christmas last year, Mark [Wilkerson, a musician] gave me an engagement ring, and I bought him tickets to the Superbowl in San Diego. We love to travel together, which is one reason we decided to get married."

Hawaiian Holiday

BROOKE BURKE "We took a cruise to Hawaii with our daughter Neriah [in December '01]. Cruising allows my husband [Dr. Garth Fisher] and me to have a little romance without leaving the kids home."

Little Joe Millionaire

EVAN MARRIOTT Every day seemed like a vacation growing up in Virginia Beach, where he and mom Charlotte (shown here in 1981) "always had a special relationship."
