FAQ’s

Can I play my own music?

Yes of course! All our sites have a good sound system and Bluetooth or aux-connectivity.

Do you have any Screens or AV Equipment?

No, but we can hire these if needed or you’re welcome to bring your own!

Can I hire a band or DJ?

Both Camden and Yorkshire can absolutely host live music. This is little tricky due to space limitations on The Cheese Barge – however, a solo guitarist is probably fine, a full band unlikely!
