OUR STORY
THE PHILOSOPHY

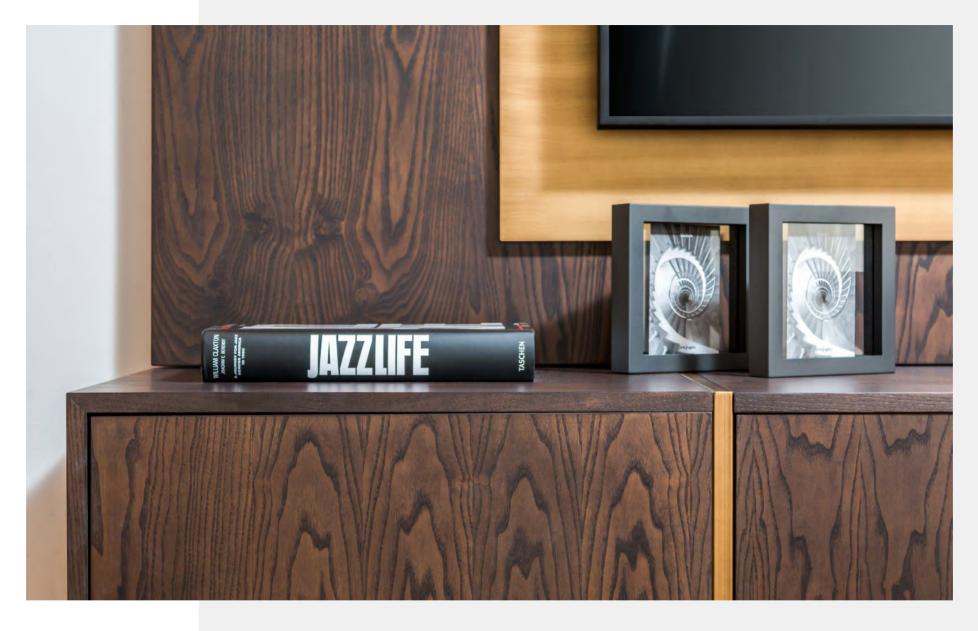

Beachwood was founded to provide bespoke, yet affordable, interior designed furniture collections across Spain and Europe. With our diverse collections, we can help you achieve the look you want on time and on budget.

Beachwood was founded by Christopher Penna and Patrick Reid, who have both enjoyed long and successful careers in the property development and hotel sectors. Having experienced first-hand the time, effort and costs involved in furnishing projects and making them look beautiful, they wanted to find a better way to do it.

After identifying a gap in the market for affordable luxury - they teamed up with Rina Rankova, the founder of bespoke Interior Design and Furniture studio Rina Rankova Interiors.

"We have designed our collections to blend perfectly together and appeal to different tastes and price points"

Beachwood exceeded my expectations in terms of design elegance and craftsmanship. Following the refurnishing of my London apartment, they showcased their instinctive ability to create chic and stylish environments that also communicate a remarkable feeling of warmth and character."

Lucy Ludmilla

From start to finish your attention to detail, your service, you utter dedication to our project has been first class. What makes your service even more extraordinary, is the fact that you managed everything for us from Spain while we were in the UK. Having such busy lives and not having the stress and worry of furnishing our holiday home we did not think was possible."

Clare Quinn

"Beachwood has enhanced my property, with their combination of sophisticated, yet liveable furniture. My home is now a space filled with elegance, simplicity, style and above all comfort. In addition, the entire process was flawless and beautifully finished."
