Turning Your Home Into Strength

Because your home holds more than just memories -
it holds possibilities.

KALSIS helps seniors aged 60 and above unlock the value of their fully-paid, freehold landed homes in Klang Valley, to fund recovery and retirement – without ever leaving their homes.

Backed by Kenanga Investors Berhad and Kenanga Trustees Berhad, KALSIS provides a safe, structured way to turn home equity into lasting financial security so cancer patients and survivors alike can focus on healing instead of worrying.

Stronger Together, Shining Brighter

Pink Ribbon Wellness (L) Foundation (PRWF) stands as a trusted voice in breast health, survivor support, and women's empowerment across Malaysia.

Since 2012, PRWF has championed Early Detection and Excellence in Care - reaching communities through awareness, education, patient aid, and wellness programmes that nurture both body and spirit.

Grounded in The Heart of Pink Ribbon -
Compassion, Respect, Excellence, Support, Teamwork, and

alone.

Together with survivors, families, and partners, PRWF continues to light the way toward awareness, healing, and hope - helping every woman live stronger, fuller, and brighter.
