

PREMIUM PET FOOD NUTRITION

LYSI MARINE OILS FOR PET FOOD

Established in 1938, LYSI hf. is one of the world's leading producers of marine oils for human consumption and a pioneer in fish oil production.

In addition to premium oils for human use, LYSI supplies high-quality feed grade marine oils suitable for pet food manufacturing.

WHY CHOOSE LYSI

- Reliable supplier.
- High-quality marine oils.
- EU feed compliant and GMO-free.
- Full traceability.
- Certified quality and food safety systems (GMP/API, FSSC 22000).

PET FOOD APPLICATIONS

- Pre-extrusion inclusion (extrusion aid).
- Post-extrusion application (coating and injection).
- Formulation ingredient.
- Premix inclusion.

NUTRITIONAL BENEFITS

Supports:

- Skin and coat health.
- Joint and immune function.
- Brain and eye development.

	Cod Oil	Omega-3 Oil FOS	Salmon Oil FOS	Herring Oil MSC
Main nutrients	Omega-3	High Omega-3	Omega-3	Omega-3
Fish Oil from	Cod species	Anchovy & sardine	Farmed salmon	Herring
EPA (area%)	min 8	min 18	min 3	min 7
DHA (area%)	min 9	min 12	min 4	min 7
Omega-3 total (area%)	min 20	min 35	min 14	min 18
